

Music lifts us up, warms our hearts and helps build community spirit. We are fortunate to have live music in our community thanks to support from the town of Henniker, the work of the volunteer Henniker Community Concert Committee, local businesses and organizations and individuals like you who have stepped up to insure its continuation.

The committee has expanded the summer series to 13 weeks of Tuesday night outdoor concerts. **For 2024, we are reserving our August 27th concert as a thank you to the “Friends of the Henniker Concert Series” with a VIP reception and the return of Studio Two --- the ultimate Beatles Tribute Band. This family-friendly concert brings Beatlemania back to Henniker!**

The following “bonus” week, September 3 will be our season ending bash with, as always, Nick’s Other Band headlining. Throughout the summer Tuesday nights, beginning June 11 will be filled with the region’s finest performers.

Our goal for the series is to introduce our audience to a wide array of talented musicians. By casting our net more broadly, we bring a talented and diverse mix of musicians to the series from outside our immediate area. As we bring in regional performers, costs increase. We are grateful for the support we have gotten from local businesses and individuals to supplement the funds we receive from the town. Below is our Friends benefit package for 2024. We hope you will consider becoming a Friend of Henniker Concerts with a donation of \$100.00.

- Your name/business listed on series flyer
- Special Friends Poster displayed throughout the series
- Certificate of Appreciation suitable for framing
- Colorful Season Concert sticker to display in your business or car
- Listing on Henniker website concert page
- Advance mailing of Season Program
- **Friends VIP Reception August 27**
