

**NEW RECYCLING PROGRAM, # 3THRU #7**  
**PLASICS AND YOUR PLASTIC SHOPPING**  
**BAGS**  
**STARTING JULY 25<sup>TH</sup> 2009**

**This is a pilot program and if we all work together we can make it a success**

The Henniker Transfer/Recycling Center will start recycling plastics with the numbers 3-4,5,6 and 7 as well as the #1 and #2 plastics that we already collect.

Some examples of the 3 thru 7's are yogurt cups, butter and cottage cheese tubs, plastic ground coffee containers and many more. We will also collect the clear plastic egg boxes and clear plastic clamshell type containers, and in addition we will recycle your plastic shopping bags.

**TO AVOID US HAVING TO DISPOSE OF YOUR RECYCLABLES, IT IS IMPORTANT THAT UNTIL EVERY ONE UNDERSTANDS WHAT WE ACCEPT AND WHERE TO DEPOSIT THE ITEMS, THAT YOU CHECK WITH AN ATTENDENT. PLEASE DO NOT PLACE THE 3-7 ITEMS IN THE RECYCLING BUILDING; A SEPARATE BIN WILL BE PROVIDED**

**Due to rodent and other health issues we ask that the items be rinsed Clean or they will have to go in the hopper, the vendor will not accept dirty containers**

**This is a big step forward and you can help make it work with just a little effort. This program should lower our disposal cost and possible provide recycling revenue in return.**

**AN EARLY HEADS UP THIS YEARS HOUSE HOLD HAZARDOUS WASTE DAY WILL BE OCT 3<sup>RD</sup>.9AM TO 1PM AT THE HENNIKER HIGHWAY DEPARTMENT. More detailed information will be coming soon**
