

Cemetery Trustees

September 18, 2009 Meeting minutes

Present: Trustees Peggy Gendreau, Barbara DelloRusso, Martha Taylor
Visitor: Artie Gendreau

The meeting began at 9:00am.

The first item on the agenda was to elect Barbara DelloRusso as Chairman.

We then discussed future lawn maintenance of Plummer, Center, Quaker and First cemeteries. Martha had been told that the New Cemetery Directors were not going to include the above cemeteries in the contract they negotiated for the New Cemetery. Martha agreed to call Jim Crane to get a copy of their contract to guide us. [NOTE: When Martha called him later in the day Jim informed her that the Directors had changed their mind and had included the above cemeteries in their new three-year contract.]

We made plans to schedule a field trip to all of the cemeteries to view their condition. Barbara will give us some dates in the next few weeks.

We prepared a budget and gave the information to Russ to print out.

The gate at the First Burial Yard is being taken off the post and set aside so that the lawn mowers can get into the cemetery. When they leave they do not put it back. At the end of the meeting we went up to look at it. Martha is going to get an estimate to have holes drilled in the other post so that we can make the gate open inward so that it will not have to be removed to gain access with the mowers.

The meeting was adjourned at 10:00.
