

Minutes of Henniker Energy Committee Meeting

Draft Copy

November 24, 2008

Members present: Anthony Caplan, David Marshall, .

Also present: Mark Mitch, Brenda Wright

Meeting called to order at 7:05 pm

- Tony summarized recent Community Winter Heating Forum and function of local energy committee as resource base.
- Discussed venues for presenting information including Town Notes and Henniker website.
- Reviewed possibility of establishing Energy Fund for Henniker to invest in efficiency and renewable projects; David to look into state funds for seed capital from RGGI auctions
- Brenda to follow up on municipal audit with a Community School project to inventory heat and electrical costs in municipal buildings.
- Discussed possibility of a Petition Bill at town meeting to winterize neediest town residences; discussed possible ways to identify houses in need of winterization work and mechanisms to carry out work.
- Mark discussed committee involvement in planned Renewable Energy Forum at NEC January 31

Next meeting was scheduled for January 26, 2009, at the Grange if it is available (Tony will check).

Meeting adjourned at 8:15 pm.

Respectfully submitted,
Tony Caplan
