

Henniker Energy Committee - Meeting Notes

Date: Monday June 22, 2009

Place - Grange Hall

Present: Kris Blomback, Mark Mitch, Tony Caplan

Meeting called to order @ 7:00p.m.

Tony gave an update on contacts with Jordan Institute in reference to a thermal audit of municipal buildings and with Plymouth Area Renewable Energy Initiative in reference to presentation on thermal hot water collectors.

Mark gave an update on his attendance at the Local Energy Conference especially in reference to grant programs available under the American Reinvestment and Recovery Act and the Regional Greenhouse Gas Initiative.

It was decided to contact Mark Fougere (spelling?) for assistance with grant writing for a September deadline. Tony to email him.

Kris will present the idea to Select Board that the Jordan Institute be invited out to tour one or two municipal buildings and make a presentation to interested parties regarding their services. A tentative date of July 21 was suggested.

Meeting adjourned @ 8:15 p.m.

Next meeting set for July 27 - Grange Hall - 7:00 p.m..

Respectfully submitted by Tony Caplan
