# STAFF REPORT

---

**DATE:** January 7, 2020

**TITLE:** Lucas Automated CPR devices

**PREPARED BY:** Gregory Aucoin, Henniker Rescue Chief

**TOWN ADMINISTRATOR'S COMMENTS - RECOMMENDATION:**

I would recommend the Board votes to accept the donation of the CPR devices.

**BACKGROUND:**

About 8 years ago the Henniker Rescue's Charitable association purchased and donated two Automated CPR assist devices to the town. We are going to replace them with newer more advanced CPR assist devices. The Henniker Rescue's Charitable Association has again raised the through donations to purchase these devices and wish for the town to accept them as a gift.

**DISCUSSION:** We are replacing current equipment.

**FISCAL IMPACT:** No fiscal impact for purchase and no change in impact to operational budget. The total cost for the 2 units is \$26,000

**RECOMMENDATION:** Vote to accept the devices.
