## **I.4 Assessing Policy**

*Adopted and effective October 2, 2012*

It is the direction of the Board of Selectmen that assessing occurs in accordance with the Laws of the State of New Hampshire and the administrative rules provided by the NH Department of Revenue Administration. Where there is leeway, the Board of Selectmen may adopt policy (ies) for the purposes of improving and enabling clarity for the Town's Assessor, Assessing Staff and property owners subject to taxation by the Town of Henniker.

### **ASSESSING POLICY REGARDING RVS AND TRAILERS**

The New Hampshire Supreme Court in the Appeal of Town of Pelham ruled that, "a trailer is taxable as a building, if by its use it:

- is intended to be more or less permanent, not a temporary structure;
- is more or less completely enclosed;
- is used as a dwelling, storehouse, or shelter; and,
- is intended to remain stationary."

The following criteria shall provide additional direction regarding the taxation of RVs and Trailers in the Town of Henniker.

The Board of Selectmen incorporates the matrix presented below as policy and as instruction to the Town Assessor and Assessing Staff. The Town will not assess RVs and Trailers when:

- the trailer has proof of current registration, attached to a license plate that is attached to the trailer;
- the trailer is road-worthy; and,
- the trailer is readily movable.

# 1.5 Right to Know Policy

---

*Adopted 12-3-19*

## **I. STATEMENT:**

This policy is intended to provide town personnel with guidance regarding the requests of citizens and others for information. The town seeks to balance openness and transparency (in accordance with RSA 91-A) versus staff time and town resources. To these ends please familiarize yourself with the Town's Administrative Procedure regarding the Right to Know statute and follow the steps below.

## **II. PROCEDURE**

1. All requests for information per RSA 91-A should be referred to the Town Administrators Office. The intent here is that there is but one point of contact for our offices and one point of information dissemination.
2. The department receiving the request will ask the person making the request to fill out a "Right to Know" Request for (copy attached). We cannot require citizens to use this form; however, we can use the form for our own purposes to document the request. If a citizen does not fill out the form, the department taking the request will fill out the form on behalf of the person making the request at the time the person makes the request, and forward to the Town Administrator's Office.
3. The Town Administrator will review the request and determine how we are to respond (who, what, when, how). If the information requested is readily available for immediate inspection, we must allow immediate inspection, regardless of whether a form has been filled out and processed.
4. Any information produced in response to a Right to Know request per RSA 91-A will be copied and kept in a separate file in the Town Administrator's office along with the corresponding Right to Know request form.

### **Please know that the statute provides the following important provisions:**

1. If the town is unable to make a governmental record available for immediate inspection and copying, the Town must, within 5 business days of request, make such record available, deny the request in writing with reasons, or furnish written acknowledgment of the receipt of the request and a statement of the time reasonable necessary to determine whether the request shall be granted or denied (the Right to Know form will be used for this purpose).
2. If permitted by law, the individual requesting a copy of a governmental record will be charged with the actual cost of providing the copy. The town has established the following rate for all items:
  - a. Black and White photocopies of documents and of black and white computer-printed documents will be charged at \$0.50 per page for the first 10 pages of any document for letter (8.5 x 11) size, legal (8.5 x 14) size and ledger (11 x 17) size and \$0.10 per page thereafter. *For example, since each document is treated separately for purposes of these charges, if a person wanted copies of both a 10 page document*

*and 20 page document, there would be a \$5.00 charge for the first document (\$0.50 x 10) and a \$6.00 charge for the second document (\$0.50 x 10 + \$0.10 x 10) not a \$7.00 charge for the two documents.*

- b. Colored photocopies of letter, legal and ledger size documents and colored computer printed documents will be charged \$1.00 per page for the first 10 pages and \$0.25 per page thereafter. If necessary, employees may need to indicate in writing that a document requested to be reproduced in color will require additional time consistent with the town's personnel and other capabilities within to produce a color copy of the document.
- c. Electronic medial storage will be provided on an unopened, new thumb drive approved by the Town. Thumb drives are available for purchase from the Town.

\*\*\*NOTE – under the Right to Know Law, “no fee shall be charged for the inspection or delivery, without copying, of governmental records, whether in paper, electronic, or other form.” RSA 91-A:4, IV (2020). If the Town is not required to “copy” a record before delivery or inspection, then no copying fee shall be charged. Examples included, but are not limited to, documents delivered in electronic format or documents with multiple copies already in existence at the time of request.

- 3. Nothing in the law required the town to compile, cross reference, manipulate or assemble information into a form in which it is not kept or reported by the Town already. The Town shall simply provide the information in the format it currently exists.
- 4. Exempt from disclosure are preliminary drafts, notes, memoranda and other documents not in their final form and not already disclosed to the public, circulated or available to a quorum or a majority of the members of a public body. The town has five (5) business days after a public meeting to make the minutes available to the public. If not finalized in five (5) days, the Town can release a draft version with the notation “draft version.”
- 5. Nothing in the law required the Town to provide information to an out of state individual. See McBurney v Young, U.S. Supreme Court, No. 12-17, 4/29/13. Requests from out of state individuals will be reviewed and analyzed on a case-by-case basis.
- 6. Nothing in the law required the Town to answer questions. The law only requires the Town to disclose governmental records.

## ***Meeting, Board & Committee Policies***

### **II.1 Board of Selectmen Meeting Procedures**

*Updated March 6, 2007*

#### **1. MEETING PROCEDURES**

We, the Board of Selectmen of the Town of Henniker, NH, resolve that the following rules of order and procedure shall govern the deliberations and meetings of this Board.

It is the intent of the Board of Selectmen to adopt rules, procedures and policies to conduct meetings and take action in an orderly manner and allow for proper public participation.

#### **2. BOARD OFFICERS**

The Chairman of the Board shall preside at all meetings unless he/she delegates the responsibility to another Board member. If the Chairman of the Board is absent at the designated date and time of the meeting, the Vice Chairman of the Board shall call the meeting to order and preside. The Chairman or Vice Chairman may offer a motion, or second a motion and participate in any Board discussion and vote.

#### **3. AGENDA**

A standard order of business and agenda together with the unfinished business shall be maintained and presented at each meeting. The normal order of business shall be:

- Signing of Documents by Board Members
- Action on Consent Agenda
- Official Call to Order
- Pledge of Allegiance
- Public Forum
- Appointments with the Board
- Old Business: Including-2nd and Third Reading of Policies
- New Business-Including the 1st Reading of policies
- Action on Minutes
- Town Administrator's Report
- Correspondence
- Selectmen's Reports
- Committee Reports
- Non-Public Session (if needed)
- Adjournment

Any citizen may request an addition to the agenda until noon Thursday prior to the scheduled meeting.

Any new business matters may be added to the agenda upon the request of any members at any time prior to the scheduled meeting.

The Chairman may change the order of business as he deems may best accommodate the needs of the Board, subject to a motion to over-rule his decision, seconded and approved by a majority of those present and voting.

#### **4. DELIBERATIONS**

A legal quorum is necessary to conduct a Board of Selectmen's meeting. A legal quorum is three (3) of the five (5) Board members. The Board of Selectmen agrees that to approve a question a majority is necessary. A majority is a majority of those present and voting upon an issue.

The deliberations of the members shall be conducted in the following manner:

- A member shall not address the meeting until the presiding officer recognizes the member. He shall thereupon address himself to the Chairman of the Board and confine his remarks to the question under discussion and avoid all personalities.
- The presiding officer shall name the member who is to speak first when two or more members simultaneously seek recognition.
- Only members of the Board shall address the meeting; citizens and others may address the Board when recognized by the Chair. A majority of the members present must approve any non-member participating once the Board begins its discussion of a motion and/or amendments.

#### **5. DECISION MAKING**

##### **General**

- A main motion shall be discussed or acted upon only after it has been moved and seconded. A motion may be withdrawn or amended only with the consent of the person making the same and the person seconding it.
- There can be only one main motion pending at a time. Any member desirous of concluding the debate may move the previous question, in which event the Chairman of the Board shall announce the question as "Shall discussion cease?"
- The Board shall vote upon the main motion without further debate, if a majority of the members present vote affirmatively. Such vote ends all debate and causes the members to vote, first upon any pending amendments, and then upon the main question.
- Any members may demand a roll call vote on any matter. The Clerk shall record the vote of each member in the minutes. Every member shall vote when a question is put, unless the Board by a majority vote of the quorum present shall excuse the Board member for good cause.
- A majority vote of the quorum present and voting shall be necessary for approval in favor of any proposed ordinance, resolution, or appointment, unless the law requires a larger number.
- The lack of vote or action to put a question on the agenda is a negative vote on the question. Such action concludes, answers, dispenses and rejects the matter. The Clerk shall record that the Board rejected the matter by lack of action.

##### **Major Items**

- All major actions of the Board shall require a seconded motion. All non-unanimous decisions shall record the votes of each member in attendance.

##### **Consensus Decisions**

- The Chairman may declare a consensus vote to have approved a proposal whenever he judges that all members' present favor the action, provides an opportunity for the expression of opposition and instructs the Clerk to record in the minutes that the action has been taken, by consensus and without opposition. Any indication of opposition shall make a recorded vote necessary.

### **Consent Agenda**

- All routine business items deemed to be of essentially a non-controversial nature may be placed on the consent agenda. This may include, but not be limited to, approval of various permits, re-nomination of employees, committee appointments, document approval, etc.
- Any Board Member may request the Chair to omit a listed item from the consent agenda. The making of this request prior to the motion to approve the Consent Agenda will result in that item being reviewed separately.
- A simple motion to approve the consent agenda, when seconded and approved by a majority of those present and voting shall be sufficient to approve all items presented on the consent agenda.

### **6. GENERAL**

The Henniker Board of Selectmen is required to comply with the New Hampshire's Right-to-Know Law, RSA Chapter 91-A.

## **II.2 Public Hearings**

*Adopted September 19, 2006*

### **LEGALLY REQUIRED HEARINGS**

When New Hampshire Law or local Henniker Town ordinances require that a public hearing be held, the hearing shall be scheduled to start at 6:30 p.m. unless another time is specifically set by the Board of Selectmen. Such hearings may be scheduled either during a regular or special meeting of the Board of Selectmen. Should more than one Public Hearing be required at the same session of the Board, they shall be scheduled in immediate sequence: in an order determined by the Chairman.

### **ORDER OF BUSINESS**

1. The first order of official business at a public hearing shall be a review of the specific purposes for the hearing and the legal requirements that are involved. The chairman or his designee shall be responsible for this presentation.
2. The Chairman shall establish the amount of time allowed for the initial presentation by those proposing the specific action requested. He shall do so after consultation with the responsible parties. The time set shall be for an uninterrupted presentation.
3. Members of the public shall then be allowed to ask involved parties questions that pertain to the issues involved.
4. Members of the Board of Selectmen shall then be given time to ask questions and solicit information.
5. Members of the public, Town officials and representatives of Town Committees shall be given an opportunity to offer their public recommendations to the Board of Selectmen on the issue(s) involved. Each presentation shall be limited to two minutes duration and each person shall only have one opportunity to address the Board of Selectmen.
6. Exceptions to these rules may be granted by the majority of the Board of selectmen, upon a properly made and seconded motion.

## **II.3 Citizen Participation At Meetings**

*Adopted May 2, 2006*

### **GENERAL EXPECTATIONS**

Persons attending meetings are requested to either refrain from bringing cell phones into the meeting room or to place them in quiet mode so as not to disrupt the meeting.

Citizens will address and be recognized by the Chairman. Citizens may be required to state their name and address for the record. Citizens will refer all direct questions to and through the Chairman at a meeting.

Non-residents in attendance wishing to speak at the meeting shall identify themselves as non-residents, state the purpose of their participation, request permission to address the meeting and be recognized by the chairperson in advance of participating in any discussion.

Exceptions to the rules for the participation of non-residents at Board of Selectmen's meetings are granted to those persons invited to participate by the Board of Selectmen and those persons advising persons with scheduled business before the board.

### **PUBLIC FORUM**

A regular part of each regular meeting of the Board of Selectmen shall be the Public Forum. During this time citizens may address the Board of Selectmen on any items of interest pertaining to municipal affairs, including those who are not on the agenda. The intent is to allow citizens to be heard early in the meeting.

Speakers may offer such objective criticisms of town operations and programs as concern them, but in public session the Board will not hear personal complaints against town employees. Other channels provide for Board's consideration of legitimate complaints involving individuals. Persons having such issues are directed to the Town Administrator for information on the proper procedures to be followed.

The Chair will recognize each attendee who wishes to speak.

Due to the large number of items usually on each Board agenda, individual presentations should last no longer than 2-3 minutes. Written remarks are encouraged.

Persons appearing before the Board are reminded as a point of information that the members of the Board are without authority to act independently as individuals in official matters, thus questions may be directed to individual Board members but answers must be deferred pending consideration by the full Board.

The Board or the Town Administrator will respond to questions if the information is available. Otherwise, the matter will be referred to the Town Administrator who will contact the citizen with the information as soon as it is available.

In some cases, the request will require action as an agenda item at a later meeting. Generally the Board of Selectmen shall not be expected to take action at the same meeting on any issue raised during the Public Forum.

### **PERSONS SCHEDULED TO APPEAR BEFORE THE BOARD**

This section of each agenda is reserved for people who have been pre-scheduled to appear before the Board. This section of the Board's agenda is normally where committee reports are heard, public hearings on ordinances are held, requests for abatements, specific proposals or requests for Board action and other significant issues are handled.

Except in actual emergencies, arrangements shall be made by noon on the Thursday prior to the date of the Board Meeting. This is so that the individual speaker and specific topic may be listed on the agenda and supporting materials may be provided to Selectmen prior to the meeting.

Appearances will be scheduled within the next two regularly scheduled Board meeting whenever possible.

The person wishing to be scheduled before the Board is encouraged to be as brief as possible since most meetings have several persons scheduled before the Board.

It is most helpful when the Board is aware of what specific action the petitioner is requesting. Furnishing basic information backing up a request to the members of the Board in advance is helpful. A form for a presenter to provide the Board with basic information shall be completed; or its equivalent provided, at the time the request to be heard is submitted to the Town Administrator.

## **PRESENTATION**

When you are scheduled to appear before the Board you will be given up to ten minutes –uninterrupted-to make your presentation.

Town Officials that are involved in the area being discussed and other interested parties may be able to present their opinions.

Board members will then have time to address questions to you and others that are involved.

## **PARTICIPATION DURING BOARD DELIBERATIONS**

Citizen participation shall generally not be permitted once the members of the Board begin discussion of a motion and/or amendments without a majority of the members approving such participation.

The significant workload at each meeting does not permit the Board to actively engage in discussions with visitors at these times during the meeting.

## **AUTHORITY OF THE CHAIRMAN**

The Chairman has authority to keep order and impose reasonable restrictions necessary for the efficient and orderly conduct of a meeting. Any person who fails to comply with reasonable rules of conduct or who creates a disturbance may be asked or required to leave and upon failure to do so becomes a trespasser and subject to removal.

The Board vests in its Chairperson the authority to terminate the remarks of any individual when they do not adhere to the rules established above as to the content or time limitation.

## **II.5 Litigation Involving Town Boards and Committees Policy**

*Document dated January 14, 2007*

The Board of Selectmen is responsible for hiring Town Counsel and overseeing legal matters in the Town. In order to fulfill its responsibilities, the Board of Selectmen adopts the following procedures.

1. Whenever a Town Board or Committee is sued, a copy of the legal action shall be given to the Town Administrator.
2. The Town Administrator should notify Town Counsel and the Town's insurance carrier.
3. In matters in which no insurance counsel is appointed, Town Counsel shall represent the Board or Committee.
4. Except for counsel appointed by the Town's insurance, the Board of Selectmen must approve in advance any Board or Committee's use and/or hiring of any other attorney.
5. The Board of Selectmen must approve in advance the Board or Committee's solicitation or acceptance of outside funding for any litigation.
6. If the trial court reverses a decision of a Board or Committee, then the Board or Committee and Board of Selectmen in consultation with Town Counsel must both consider whether to appeal the decision. The Board or Committee in the first instance should determine, based on input from Town Counsel, whether it wants the Town to appeal the decision. If the Board or Committee wants to appeal, it should forward its decision to the Board of Selectmen with its reasons. The Board of Selectmen should give deference to the decision of the Board or Committee on whether to appeal unless the Board of Selectmen determines it is not in the Town's best interests.
7. In instances where the Board of Selectmen will appeal or file a legal challenge to a decision of one of the Town's Boards or Committees, the Board of Selectmen shall authorize that Board or Committee to obtain independent counsel and provide a reasonable amount of money for the Board or Committee to do so.
8. In instances where the trial court has upheld the decision of a Board or Committee and the opposing party appeals, Town Counsel or the attorney selected by the Board of Selectmen shall continue to represent the Town in the appeal.

The Town Administrator shall determine whether a contact should be made through the LGC (Local Government Center) Legal Assistance or, if involving any claim of property liability, the LGC Insurance Trust.

Upon introduction of legal question or topic by any of the above, the chairman of the committee or board, with approval of the Town Administrator, shall have the authority to continue the dialogue directly with Town Counsel until such time as issue is resolved. Town Counsel shall copy the Town Administrator on all correspondence to each committee and board, in which the Town Administrator shall keep the Board of Selectmen apprised of all information pertaining to any case.

Department Heads and Advisory Committees shall direct questions to the Town Administrator unless other arrangements are made in specific cases. No member of the Board of Selectmen shall direct the Town Administrator to seek an opinion from Town Counsel without the permission from the Chair and/or the majority of the Board.

The Board of Selectmen authorizes the Town Administrator to utilize the services of Town Counsel at any time as deemed justifiable and necessary in communicating questions or inquiries on behalf of the Board.

## **II.7 Budget Advisory Committee Operational Policy**

*Adopted January 24, 2006  
Item I Adopted August 15, 2006*

The Town Budget Advisory Committee shall select its own officers and operate under the rules and procedures established by the Board of Selectmen for Town Committees. It will also adhere to the legal requirements of the "Right to Know Law".

The sole role of the Town Budget Advisory Committee shall be to review the tentative budget proposal prepared by the Board of Selectmen and to provide recommendations for the Board's review.

The Board of Selectmen expects that various town departments, committees, and boards shall provide the Committee with available information needed for their consideration. Until the Board of Selectmen determines the final budget to be presented to the voters, department heads and committee representatives shall be free to offer alternative suggestions to the Town Budget Advisory Committee.

The Budget Advisory Committee shall submit a written report of their recommendations within two weeks of the completion of their review meetings. All recommendations made to the Board of Selectmen shall include a recorded vote on each item.

The Budget Advisory Committee shall only function from the time of its receipt of the Board of Selectmen's annual proposed budget through the final completion of its written report of recommendations to the Board of Selectmen.

The Budget Advisory Committee may submit a report to be included in the Town Report published in a location close to the town warrant.

The Budget Advisory Committee shall not have the authority to have their recommendations noted in the town warrant presented to the voters.

The Board of Selectmen shall publicly review the recommendations of the Budget Advisory Committee at their meetings following the receipt of the committee's report. The Selectmen shall act upon each recommendation and forward a record of its actions to the members of the Budget Advisory Committee.

Committee members shall abstain from voting upon any issue that directly relates to the budget proposal of any town committee or organization on which they are a current member or have had business dealings with in the previous year. However, they shall be able to participate, with Budget Committee consent, in discussion involving that town committee or organization's budget request as a representative of the town committee or organization or as a member of the public.

## **II.8 Athletics Code of Conduct**

*Adopted April 20, 2010*

As a participant in Henniker Athletics, I agree that:

1. I will not force my child to participate in sports. I will remember that children participate in sports to have fun and the game is for youth, not adults.
2. I will learn the rules of the game and policies of the league. I will teach my child to play by the rules and to resolve conflicts without resorting to hostility or violence.
3. I (and my guests) will be a positive role model(s) for my child and encourage the essential elements of character-building and ethics in sports by encouraging sportsmanship, respect and courtesy, by demonstrating positive support for all players, coaches, officials and spectators at every game, practice or event.
4. I (and my guests) will not engage in any unsportsmanlike conduct with any official, coach, player or parent such as booing, taunting, refusing to shake hands, or using profane language or gestures.
5. I will demand that my child treat other players, coaches, officials and spectators with respect.
6. I will teach my child that doing one's best is more important than winning, so that my child will never feel defeated by the outcome of a game or his or her performance. I will emphasize skill development and practice over winning. I will teach my child that winning is good, trying to win is better, but that one would rather lose than to sacrifice one's ethics in a "win-at-all-costs" attitude. I will promote the emotional and physical well-being of the athletes ahead of any personal desire I may have for my child to win.
7. I will teach my child that there are no shortcuts to success. Only through hard work and practice will he or she establish the foundation for achievement.
8. I will praise my child for competing fairly and trying hard. I will never ridicule or yell at my child or other participants for making a mistake or losing.
9. I will respect the coaches' role as coach. As such, I will not undermine the coaches' authority by criticizing in-game tactics and strategy or personnel decisions about what position the athlete plays or playing time. I will refrain from coaching my child or other players during games and practices, unless I am one of the official coaches of the team.
10. I will respect the officials and their authority during games and will never question, discuss or confront coaches at the game field or in front of athletes and will take time to speak with coaches at an agreed upon time and place.
11. I will demand a sports environment free from drugs, tobacco and alcohol and I will refrain from their use during games.
12. I will not threaten or assault any coach, official or spectator. I understand that law enforcement may be notified if I engage in any criminal behavior.
13. I also agree that if I fail or that if my child fails to abide by the aforementioned rules and guidelines, we will be subject to disciplinary action that could include, but is not limited to any or all of the following:
  - Verbal warning by official, coach, league official or Henniker Athletic Committee.

## **II.9 Athletics – Accepting Non-Resident Children and Out-of-Town Programs for Resident Children**

*Adopted May 1, 2012*

The Henniker Athletic Committee is authorized to permit children from other towns to participate on Henniker town athletic teams upon the following conditions:

1. The Committee shall annually establish a maximum number of players for each of its teams. That figure shall be based upon the number of Henniker children eligible to participate and be subject to meeting league requirements.
2. The parents or guardians of any child that is a resident of another town must apply in writing to the Henniker Athletic Committee for consideration to participate on any Henniker town athletic team. The application shall include specific reasons that indicate the reason(s) why the child is seeking to participate in Henniker's programs. Such applications shall be submitted on a timely fashion, as shall be established by the Henniker Athletic Committee, but no later than the signup deadline.
3. Officials of the Henniker Athletic Committee shall check with officials of the local Athletic Committee of the town in which the applicant resides to determine whether the child was eligible to play on a team in that community. The responsible officials will attempt to obtain a recommendation from the officials of the child's community as whether they approve of the child participating in the Henniker program.
4. The acceptance of any child from another community shall not deprive any resident of Henniker from participating on a Henniker team that would otherwise be so eligible.
5. The acceptance of children from another community shall not result in the creation of the need for additional teams or an increase in program costs beyond that normally associated with furnishing an individual player with the materials and services necessary to participate.
6. The Henniker Athletic Committee shall annually furnish a list of fees to be charged for non-resident individuals to participate on Henniker teams for the approval of the Henniker Selectmen. These fees shall remain in effect until changes are approved by the Selectmen.
7. Payment for non-residential participation on Henniker athletic teams shall be processed through the Town of Henniker financial system. The accepted non-resident shall not participate until full payment is received by the Town. Payment may be made by the child's parents or the Town of Residence.
8. Approvals, if granted, shall be only for one season. Applicants shall apply for each individual sport on an annual basis.
9. The Henniker Athletic Committee may provide funding, up to the fees established for acceptance of non-residents, to permit Henniker children to participate on another town's team. However, such payment will only be for good cause and will be required to meet the same standards previously listed. No funding shall be provided for any private camps, special for-profit programs or for sports that have not been approved within the Henniker Athletic budget.
10. If a parent or guardian does not agree with the opinion of the Athletic Committee, then they can approach the Board of Selectmen to appeal. The Selectmen will notify the Athletic Committee prior to the meeting when the appeal will take place.
11. The Henniker Athletic Committee shall provide the Board of Selectmen a detailed written annual report by December 31<sup>st</sup> of all children accepted from other towns and of Henniker children funded for other programs. The report shall indicate fees charged and paid, reasons for acceptance of applications and the identity of the program the child participated in.

## **II.10 Selectboard Appointment Policy**

*Adopted June 18, 2013*

This is a policy to create a procedure to appoint a new member to the Selectboard. It references: RSA 652:12; 669:19; 669:61; and 669:63. Upon a new vacancy on the Selectboard due to a resignation, a death or any other legal vacancy; the Selectboard shall expeditiously begin the replacement process by executing the following steps.

1. Advertise for a new member in local newspaper(s), on the Town website, and post a notice in two public locations. The advertisements and notice shall ask for a short written statement of the candidate's background and experience.
2. All steps to fill a vacancy shall be an agenda item during a public session.
3. The Selectboard members will review statement of the candidate's background and experience, then choose a maximum of three (3) candidates to interview at a subsequent meeting.
4. During the candidate interviews, members may speak to each candidate to explore the candidate's background and experience.
5. Each Selectboard member may nominate a candidate.
6. Members vote "yes" or "no" by voice. The candidate receiving a minimum of three affirmative votes shall fill the vacancy.
7. If there is not a minimum of three affirmative votes for a candidate after three Selectboard votes, the matter will be postponed until the next Selectboard meeting.
8. Pursuant to RSA 669:19, if a person is appointed as a Selectboard member after the close of the period for the declaration of candidacy the person appointed serves until the next annual election following next year's period for a declaration of candidacy. If an appointment occurs before the closing of the declaration period, then the new Selectboard member may fill the position, but the person so appointed would only serve until the new person is elected.

## **II.11 Temporary Policy on Public Meetings Attendance**

*Adopted May 5, 2020*

### **Background:**

Due to concerns about COVID-19, Governor Sununu issues Emergency Order #12 and Emergency Order #16. Emergency Order #12 modified the requirements of RSA 91-A, III(c) requiring that each part of a meeting of a board be audible or otherwise discernible to the public “at the location specified in the meeting notice as the location of the meeting ”and Emergency Order #16 prohibiting gatherings of 10 or more people. Regarding Executive Order #12, Governor Sununu waived the “location” requirement. In other words, there is no longer a need for the board to provide a physical location where the public may come and listen to the meeting, even when an “emergency” has been declared by the chair under RSA 91-A, III(b). (See NH Municipal Association guidance “Public Meetings and Covid-19: Updated March 24, 2020”)

In light of CDC guidance on “social distancing,” the Select Board will not be making Town buildings available for public meetings until further notice. The Select Board and all Town committees will also make every effort to hold meetings remotely.

### **Location of Meetings:**

Any meeting may be conducted in a manner where any member of the public can call a telephone number to listen to the meeting. Additional access by video or other electronic means is permitted, but a telephonic connection is required for a meeting occurring without a physical location.

There must be a mechanism for the public to alert the board during the meeting if there are problems with access. For Henniker meetings, the “helpline” will be the Town Administrator’s phone at (603) 998-1492 which will be used to alert the board to any issues. If issues occur, the Town Administrator will alert the board about issues with the public connecting to the telephonic system or losing connection during the meeting. The meeting must be adjourned if it is determined that the public is unable to access the meeting.

The public notice of the meeting must include the information necessary for accessing the meeting, i.e. the phone number that the public can call to listen in, the phone number of the helpline, and the date and time of the meeting.

In addition to the telephonic option, meetings of public bodies will be broadcast and recorded using video conferencing software. The chat, raise a hand, and audio features will be available for the public body to be notified when a member of the public wants to participate in the meeting. The default for audio for the public will be turned off during the meeting to ensure attendees are not talking over each other, but audio for the person will be enabled after a person raises their hand or enters a chat comment.

The public is also encouraged to submit testimony or questions in writing before the meeting. After the meetings, the recorded videos of the meetings will be made available as usual on the community access station and the Town website.

#### Board and Committee Attendance at Meetings:

Emergency Order #12 modified the requirements of RSA 91-A, III(b) requiring that a quorum of a public body be physically present unless immediate action is imperative. Specifically, the Governor waived the requirement that a quorum is physically present in non-emergency situations for the duration of the declared State of Emergency in Executive Order 2020-04. In other words, a board chair need not find that an “emergency” exists according to the statutory definition and record the facts upon which that finding was made in the minutes of the meeting to allow all members of the board to meet telephonically or via other electronic means.

Other remote meeting requirements are still in effect. In particular, boards meeting either partially or entirely remotely will comply with the remainder of RSA 91-A:2, III. Those include: identifying the reason why the in-person attendance of any remote board members is not reasonably practicable in the minutes of the meeting; identifying any persons present in the location where the board member is calling from; and all votes will be by roll call.

Nonpublic sessions will be held at the end of a regular meeting. The reason for this is that it is easier to conduct the public portion using the public teleconference software, then either using a second call to conduct the nonpublic session or remove all non-board members from the current call to allow the board to conduct the nonpublic session. The Town will hold one meeting using the teleconference software and telephone and ask members of the public to sign off from the meeting following the roll call vote to go into nonpublic session.

Boards will take reasonable steps to comply with Governor Sununu’s Emergency Order #16, prohibiting gatherings of 10 or more people, including taking advantage of the provisions of Emergency Order #12, as described above. It will be the determination of the chairpersons of each board in consultation with the staff that support the board to determine whether meetings will be held fully remotely or not.

If meetings and hearings of 10 or fewer people are held at a physical location, municipal officials will follow CDC guidelines for public gatherings, including:

- Posting signage encouraging people to wash their hands when entering the building, staying home if sick or if they have been exposed to someone who is sick, and covering their mouths when they cough or sneeze;
- Spacing seating farther apart than usual to promote social distancing, including the distance between board members, if possible; and
- Wiping down common surfaces before and after meetings.

##### **BID PROCESS**

1. All major purchases authorized by the Board of Selectmen and/or Town Meeting shall be subject to the bid process.
2. The bid process shall be initiated by the issuance of a request for bids.
3. Notice of the request for bids shall be made in the following ways:

  - (b) Individuals and firms interested in being informed of competitive purchasing opportunities may contact the Town Administrator and be placed on the Town's bid list.
  - (c) Advertisements shall be posted in three (3) public locations within the Town of Henniker.
  - (d) Advertisements shall be placed in a local newspaper or media of general circulation soliciting bids.

7. Bid proposals will be date stamped on the outside of the envelope immediately upon receipt.
8. Any bid may be withdrawn in writing prior to the scheduled time for the opening of bids.

9. Any bids received after the time and date specified shall not be considered and shall be returned to the bidder unopened.
10. Every bid received prior to the scheduled closing time for receipt for bids shall be publicly opened and read aloud by representative designated by the Board of Selectmen. All bidders and other interested persons shall be invited to be present.
11. The public opening and reading of each bid shall be at the time specified and shall include at least the following:

  - (c) For unit price contracts, the unit price for each item and the total, if stated; and
  - (d) The nature and the amount of security furnished with the bid if requested.
12. The Selectmen shall have the option of choosing up to three (3) bidders. If the successful bidder reneges, the Town can proceed with a contract with a second bidder. Up to three bids shall remain open until a contract is signed.

### **CRITERIA FOR BID SELECTION**

In evaluating bids, the Board of Selectmen, Town Administrator and Department Head shall consider the following:

1. Price;
2. Bidder's ability to perform within the specified time limits;
3. Bidder's experience and reputation, including past performance for the Town;
4. Quality of the materials and services specified in the bid;
5. Bidder's ability to meet other terms and conditions, including insurance and bond requirements;
6. Bidder's financial responsibility;
7. Bidder's availability to provide future service, maintenance and support;
8. Nature and size of bidder; and
9. Any other factors that the Board of Selectmen determines are relevant and appropriate in connection with a given project or service.

The Board of Selectmen reserves the right to reject all bids and issue a new Request for Bids if less than three bids are received. The Board of Selectmen also reserve the right at their sole discretion to reject any and all bids, wholly or in part, to waive any informalities or any irregularities therein, to accept any bid even though it may not be the lowest bid, to call for rebids, to negotiate with any bidder, and to make an award which in its sole and absolute judgment will best serve the Town's interest.

Bidders shall bid to specifications and any exceptions must be noted. A bidder submitting a bid thereby certifies that the bid is made in good faith without fraud, collusion, or connection of any kind with any other bidder for the same work; and that the bidder is competing solely on his/her behalf without connection with or obligation to any undisclosed person or firm.

The Town reserves the right to investigate the financial responsibility of any and all bidders to determine the ability of the bidder to assure service throughout the term of the contract.

The minutes of the meeting at which the selection is made shall indicate the bid selected and the factors upon which the selection was made.

All major bids submitted must specify time frame of bid quote amount and must guarantee bid amount for a minimum of thirty (30) days from bid opening date. This requirement must be included in all advertisements and written specifications issued by the Town of Henniker. Any increase in cost estimates following bid award or signing of a contract shall be absorbed by the bidder. (Changes in specifications that result in the necessity of a work order revision resulting in a cost increase is addressed in Section VI.)

## **EXCEPTIONS TO BID PROCESS**

1. **Sole Source Purchase:** If the Board of Selectmen determines that there is only one possible source for a proposed purchase, they may waive the bid process and authorize the purchase from the Sole Source.
2. **Blanket Purchase:** If a proposed purchase is not a major purchase but is anticipated to exceed \$15,000 during any fiscal year, the bid process shall be initiated and shall specify the recurring nature of the purchase. Once a bid has been accepted, all future purchases shall be made from that bidder without necessity of additional bids, until such time as the Board of Selectmen vote to initiate a new bid process.
3. **Emergency Expenditures:** In case of an emergency, the Town Administrator may award contracts and make purchases for the purpose of meeting the public emergency without complying with the bid process. In such cases, the Town Administrator shall promptly file with the Board of Selectmen a report that certifies the emergency nature of the incident and itemizes the purchase and their costs.

Emergency expenditures may include immediate repair or maintenance of town property, vehicles or equipment only if the delay in such repair or maintenance would endanger persons or property. However, even in emergencies, an attempt shall be made to get at least three (3) quotes by telephone or fax. In addition, the emergency expenditure shall be limited to the purchase of those goods or services needed to prevent the immediate harm. Any additional goods or services required to remedy the situation or prevent future harm shall be subject to the bid process.
4. **Professional Services/Consultants:** The bid process shall not apply to the Town's selection of service providers for services that are characterized by a high degree of professional judgment and discretion such as, but not limited to, legal services; auditing services; medical health or social services for Town employees, engineering and/or architecture, and risk management and/or insurance services.

14. Where the Town decides to contract with **government agencies** for the provision of governmental services
15. Sealed, publicly invited competitive bids will not be required for purchases in any situation where a contractor or supplier has defaulted upon his or her obligations to the Town and there is a security guaranteeing to the Town the performance of said obligation at no additional cost to the Town, over and above the original obligation. In such cases, the Town Administrator, with the approval of the Board of Selectmen may negotiate and award the contract to whomsoever the Town Administrator sees fit providing that said renegotiations and award does not exceed the amount of the security.
16. The Board of Selectmen, on recommendation from the Town Administrator, may waive any of the above requirements in cases where it is deemed inadvisable to solicit bids

because of, for example, the need of standardization of such materials, supplies, equipment or services, or for any other reasons which the Board of Selectmen deem to be in the interest of the Town.

17. Where it is deemed appropriate to standardize on the procurement of materials. The Town Administrator shall maintain an up-to-date listing of such standardization items or services. The procurement of such standardized items or services will be exempt from the foregoing bidding requirements. Nevertheless, Town Departments will, when reasonably possible, attempt to obtain competitive quotes from different suppliers, if any, for the standardization item or service.
18. Any major item purchase may be made without a local bid process when the service or product is available from an approved bid list awarded by the State of NH, County Federal, School District or any other entity connected with a government agency.

### **CHANGE ORDERS**

If specification changes are made prior to the close of the Bid Process, the Request for Bids shall be amended and notice shall be sent to any bidder who already submitted a bid and a new Bid Process shall be initiated.

Once a bid has been accepted, if changes to the specifications become necessary, the Department Head must prepare a change order specifying the scope of the change and the Board of Selectmen shall approve it. The Board of Selectmen authorize the Town Administrator to approve change orders where funds are available and the change order shall not exceed 10% of the amount of the original contract. The Board of Selectmen must approve all other change orders. Once approved, the contractor and an authorized agent of the Town must sign the change order.

For all non-major purchases over \$3,000.00, it shall be the responsibility of the Department Heads to provide to the Finance Director a standard purchase order form. The Department Head must accompany the purchase order form with at least three quotations or prices and specify the method by which the quotations or prices were obtained.

The purchase order shall be presented to the Finance Director for review. If the Finance Director recommends the purchase order be paid, he shall sign it and present it to the Town Administrator. By his/her signature, the Town Administrator shall approve or disapprove the purchase order.

In the absence of the Town Administrator (in emergency situations), the Finance Director shall approve and sign the purchase order.

### **ADMINISTRATIVE REGULATIONS**

The Town Administrator is authorized to issue purchasing requirements and procedures that the Town Administrator deems necessary to carry out the requirements of this Policy.

*Under no circumstances may any Town employee, Town committee member or Town board member use a Town of Henniker account membership, account vendor number, purchase order number or any other method of making a purchase for personal use under the name of the Town of Henniker. Adopted May 17, 2005. Effective July 1, 2005. Revised October 7, 2008

After making all departments aware of such surplus items, the Town Administrator may authorize the sale of materials and equipment which he/she and the Department Head determine to be surplus to the needs to the Town where a single item or lot does not exceed One Thousand Dollars (\$1,000.00) in book value.

In cases where such item or lot exceeds One Thousand Dollars (\$1,000.00) in book value, the Board of Selectmen shall approve the sale of such materials. All such surplus materials shall be disposed of by public auction, including internet auctions or competitive quotations.

Broken, obsolete and damaged equipment that is determined to not be in working order will be thrown away.

In situations where the State of New Hampshire surplus auction is taking place for unused or/surplus items from the State, municipalities or school districts, it will be the discretion of the Department Head and Town Administrator to determine such items that, in their opinion, would bring a fair financial return for the Town if sent to said auction.

A written record shall be kept identifying each item and date and manner of disposal.

### **III.3 Cash Receipts Policy**

*Adopted June 17, 2008. Effective August 1, 2008*

Municipalities deposit substantial sums of money each year carrying out the many functions and services that they provide. Taxpayers have a right to expect that the municipality's operations be carried out efficiently and expeditiously with adequate financial control and accountability.

The objective of this policy is to attempt to strike a balance between the need for department operating efficiency and flexibility, and the need for financial control and accountability. It is also the purpose of this policy to implement uniform procedures for depositing funds that will provide quality and operational efficiency.

Said deposits shall be verified through the reconciliation process with the Finance Director and the Treasurer.

Checks are the preferred method of payment, however cash will be accepted provided that a carbon receipt is provided to the customer and the original receipt is remitted with the deposit total. Receipts for checks shall be given to the customer upon request. Said deposits shall be remitted to the Finance Director upon which a total is determined, and a summary report is signed by both the Finance Director and the Transfer Station employee remitting the proceeds.

Receipts are given for cash deposits in excess of \$10.00 or upon request.

Checks from the various remitters (insurance companies, individuals) are remitted by the billing service to the Finance Director for deposit. Receipts are reconciled with year-end reports by the billing service. **Trustees of Trust Funds:** The Trustees hold accounts for several expendable trust funds in which revenues are generated. Proceeds from any event held to benefit these trust funds should be presented to the Finance Director for verification and deposited into the Town's general fund. A single check will be remitted to the Trustees in the next weekly check run, along with a copy of the verification report, which will indicate the purpose of the deposit. It is also considered acceptable for a single donation to go directly to the Trustees without the need to "clear" the checks through the general fund account.

**Governmental Revenues:** Federal and State of NH revenues are generally done through direct deposit into the General Fund. The Finance Director will verify the payment and record the amount into the accounting system.

**Donations:** General donations of money or services to the Town of Henniker are subject to the Donation policy and acceptance by the Board of Selectmen. These items should be discussed directly with the Town Administrator.

*Revised September 16, 2008, September 16, 2009*

The following policy is intended to implement the provisions of RSA 31:95-b and 31:95-e, with respect to the receipt of donations of money and personal property to the Town and its departments.

1. Unless otherwise provided by law, all Town departments, boards, commissions, committees, officials and employees of the Town of Henniker shall be subject to this policy. No Town department, board, commission, committee official or employee may accept gifts of funds or personal property on behalf of the Town. Any such donations shall be referred to the Board of Selectmen, to be accepted in accordance with the procedures enumerated in RSA 31:95-b and RSA 31:95-e.
2. Nothing contained in this policy shall prevent a private entity, such as a booster club, firefighters' association, rescue association or firefighters auxiliary, from raising whatever funds it desires for use by the association or organization. However, if any such private organization desires to donate funds or personal property to the Town, such provisions will be subject to the provisions of #1 of this policy.
3. Prior to acceptance of any such gift with a value of \$5,000. or over, the Selectmen shall hold a public hearing on the proposed acceptance. For gifts with a value of less than \$5,000.00, a public hearing on the proposed acceptance shall be at the discretion of the Selectmen. It is required to have approval of acceptance by the Board of Selectmen with the vote recorded in the minutes of meeting when approved.
4. No item of value may be accepted by a lease, or other similar arrangements from a donor, by any town departments, boards, commissions, committees, officials and employees of the Town of Henniker unless authorized by a public vote of the Board of Selectmen. In addition, only the Board of Selectmen may authorize exceptions to the Town's Procurement Policy and furthermore, any lease agreement of equipment must comply with the conditions pursuant to RSA 33:7-e.

## **III.5 Investment Policy**

---

*Adopted June 17, 2008*

### **SCOPE**

This investment policy applies to all financial assets of the Town and is the investment policy that applies to all transactions involving the financial assets and related activity of all the foregoing funds.

These funds are accounted for in the Town's annual financial report and include any new funds created by the Town Meeting or the Board of Selectmen, unless specifically exempted by the articles of its creation.

### **OBJECTIVES**

Safety of principal is the foremost objective of the Town. Each investment transaction shall seek first to ensure that capital losses are avoided, whether they are from securities defaults or erosion of market value.

The Board of Selectmen seeks to attain market rates of return on its investments, consistent with constraints imposed by its safety objectives, cash flow considerations and state laws that restrict the placement of public funds. The Treasurer is encouraged to represent the Town's best interests in seeking to remove constraints to the efficient investment of its funds.

All participants in the investment process shall seek to act responsibly as custodians of the public trust. They shall avoid any transaction that might impair public confidence in the Board of Selectmen's ability to govern effectively.

The financial assets are accounted for in the Town's annual financial report, and include:

- General Fund
- Special Revenue Funds
- Capital Project Funds
- Any new fund created by the Town's citizens at Town meeting or by the Board of Selectmen, unless specifically exempted by the articles of its creation.

### **GENERAL POLICY**

**Authorized Depositories:** All depository accounts of the Town must be held in the name of the Town. All income payable to the Town and all revenue received by the Town shall be forwarded to the Town Treasurer.

Depositories shall be selected through the Town's banking services procurement process and awarded by the Board of Selectmen. This process shall take place at least every five years. In selecting depositories, the credit worthiness of institutions shall be considered, and the treasurer shall conduct a comprehensive review of the prospective depositories' credit characteristics and financial history.

**Authorized Investments:** Assets of the Town may be invested in the following:

- Obligations of the U.S. government such as U.S. Treasury securities maturing in less than one year and short-term obligations of U.S. Government agencies approved for investment purposes by the Treasurer of the State of NH;
- Participation accounts established with the New Hampshire Public Deposit Investment Pool established pursuant to RSA 383:22;
- Savings accounts in solvent banks in New Hampshire;
- Certificates of deposit at banks incorporated under New Hampshire law, and
- Certificates of deposit at national banks located in New Hampshire.

**Ethics and Conflict of Interest:** Investment officials involved in the investment process shall refrain from personal business activity that could conflict with proper execution of the investment program, or which could impair their ability to make impartial investment decisions. Investment officials shall

disclose to the Selectmen any material financial interests in financial institutions that conduct business within the town, and they shall further disclose any large personal financial investment positions that could be related to the performance of the town portfolio.

**Maturities:** Investments of the Town shall be limited to instruments maturing within one year at the time of purchase.

**Policy Review:** Annually, at the meeting next following the spring election, the Selectmen shall review this policy for the investment of public funds in conformance with the provisions of applicable statutes.

**Risk and Prudence:** The town recognizes that investment risks can result from issuer defaults, market price changes or various technical complications leading to temporary non-liquidity. Both the Treasurer and the Trustees of the Trust Funds are expected to display prudence in the selection of investments in a way to minimize default risk.

The standard of prudence to be used by investment officials shall be the "prudent person" and shall be applied in the context of managing an overall portfolio. Investment officials acting in accordance with written procedures and exercising due diligence shall be relieved of personal responsibility for an individual security's credit risk or market price changes, provided deviations from expectations are reported to the Selectmen in a timely fashion and appropriate action is taken to control adverse developments.

#### **TOWN TREASURER DUTIES (RSA 41:29)**

**Authority and Process:** The town treasurer shall have custody of all moneys belonging to the Town, and shall pay out the same only upon orders of the Selectmen, or, in the case of a Conservation Fund established pursuant to RSA 36-A: 5, upon the order of the Conservation Commission or in the case of a Heritage Commission fund established pursuant to RSA 674:44-a upon the order of the Heritage Commission, or in the case of fees held pursuant to RSA 673:16, II, upon the order of the local land use board or its designated agent, or in the case of a recreation revolving fund established pursuant to RSA 35-B:2, upon the order of the recreation or park commission, or other board or body designated by the town to expend such a fund.

The town treasurer shall deposit all such moneys in participation units in the public investment pool established pursuant to RSA 383:22 or in solvent banks in the state. The amount of collected funds on deposit in any one bank shall not for more than 20 days exceed the sum of its paid-up capital and surplus.

#### **TRUSTEES OF TRUST FUNDS DUTIES (RSA 31:22; 31:2a)**

**Authority and Process:** Management responsibility for capital reserve funds is hereby delegated to the Trustees of Trust Funds.

A three member Board of Trustees shall administer all trusts. A ballot at each annual town meeting shall elect one trustee for a 3-year term. Vacancies shall be filled by the Selectmen for the remainder of the term. The Trustees shall organize by electing one of their number bookkeeper, who shall keep the records and books for the Trustees, and shall require a voucher before making any disbursements of funds from said trusts.

The Trustees shall have the custody of all trust funds held by the Town. The funds shall be invested only by deposit in some savings bank or in the savings department of a national bank or trust company in this state, or in bonds, notes or other obligations of the United States government, or in state, county, town, city, school district, water and sewer district bonds and the notes of towns or cities in this state, and such stocks and bonds as are legal for investment by New Hampshire savings banks and when so invested, the Trustees shall not be liable for the loss thereof; and in any common trust fund established by the New Hampshire Charitable Foundation in accordance with RSA 292:23. The Trustees may retain investments as received from donors, until the maturity thereof.

All deposits in banks shall be made in the name of the town, and shall appear upon the book thereof that the same is a trust fund.

Any security which at the time of its purchase under RSA 31:25 constituted a legal investment for New Hampshire savings banks under the laws and conditions then existing may be retained notwithstanding the fact that, because of changes in the law relating to legal investments or because of conditions arising subsequent to the purchase of such security, its purchase might not then be legal; provided, however, that no such security that is not a prudent investment under the circumstances existing at the time of its retention and thereafter shall be retained by the Trustees; and provided further, that the aggregate total of the market value of all securities retained under this section shall not exceed 20 percent of the total market value of all the investments held by the Trustees.

**Written Procedures:** Management responsibility for the reserve and trust funds of the Town is the Trustees of Trust Funds, who shall establish written procedures for investment of such funds consistent with this investment policy. Such procedures shall include explicit delegation of authority to persons responsible for investment transactions. No person may engage in an investment transaction except as provided under the terms of this policy and the procedures established by the Trustees. The Board of Selectmen shall review the written procedures. The Trustees shall be responsible for all transactions undertaken.

**PURPOSE:** To establish the requirements and fees necessary for the use of the Old Concord Road soccer fields, Town Hall baseball/softball field, and “snack shack” at the Town Hall field.

The intent of this policy is that Henniker youth and adult community activities shall always have the highest priority for use of the town-controlled facilities and fields. The Athletic Committee shall be responsible for assigning fields based on the following priorities.

### **ELIGIBLE GROUPS:**

The names of Henniker residents shall be included as part of the application. If approved by the Athletic Committee, the Board of Selectmen shall be notified, in writing, of the details of the arrangement.

All other groups (private groups or organizations that charge fees and/or earn a profit) are not allowed usage unless the Board of Selectmen grant an exception to the policy approving the rental request and assess the rental fees.

Forms will be signed by Henniker Athletic Chairman or designee and kept on file at the Town Hall. A designee from the Selectmen’s office will notify applicant of approval or denial.
2. A special waiver form, in lieu of the Certificate of Insurance, is available at the Town office.

4. Renter is responsible for leaving grounds free of litter.
5. Alcoholic beverages or controlled substances are not permitted at any of the named sites at any time.
6. Henniker’s ordinances requiring removal of animal feces by owner are in effect and dogs/animals must be kept on a leash as part of this specific policy. (Town Ordinance-Chapter 11, Article 1) Violations are subject to fines as documented in the Town’s Ordinance.

**FEES:** Fees do not apply to any youth programs that are sponsored by the Town of Henniker, Henniker school groups, or Henniker Youth Boosters Association. The fee for all other groups is as follows:

**FIELDS:**       \$150.00 per day for a full day usage (5 or more hours); or

### **III.12 Mailbox Ordinance (Rev. Chapter 97)**

*Revision adopted June 2, 2009*

The Town of Henniker Highway Department/Board of Selectmen is not responsible for damage to, but not limited to, mailboxes, fences, stonewalls, lawns, driveways or any other object(s) placed within the 'right of way' of any town road or street. The town's Highway Department utilizes plowing equipment that is able to freely pass along or under a mailbox that conforms to a 44" (the average prescribed by the US Postal Dept. recommendations) height from ground to bottom of mailbox.

It is the responsibility of the owner of such property to replace or repair anything within the town 'right of way' that has been damaged as a result of town road maintenance.

It is also the responsibility of the property owner to adhere to the Federal Government guide referring to the erecting of mailboxes published by the U.S. Postal Service.

Any property owner (or rental occupant) seeking an exception to the policy shall first file a request with the Town Administrator. Any exception to the policy as outlined in Item 1 shall be subject to approval by the Henniker Board of Selectmen.

The location and construction of mailboxes shall conform to the rules and regulations of the U.S. Postal Service as well as to standards established by the Town and State. Postal Service standards for the location and construction of mailboxes are listed below. The following are based on recommendations by the U. S. Postal Service.

- No mailbox or newspaper deliver box (hereafter referred to as mailbox) will be allowed to exist on the Town's rights-of-way if it interferes with the safety of the traveling public or the function, maintenance, or operation of the highway system. A mailbox installation that does not conform to the provisions of this regulation is an unauthorized encroachment under the Henniker Road Width and State of NH DOT regulations (width varies with each road).
- A mailbox installation that conforms to the following criteria will be considered acceptable unless in the judgment of the Highway Superintendent of the town of Henniker, the installation interferes with the safety of the traveling public or the function, maintenance, or operation of the highway system.

LOCATION: Curbside mailboxes must be placed so that they may be safely and conveniently served by carriers without leaving their conveyances. They must be reasonably and safely accessed by customers. Boxes must also be on the right-hand side of the road and in the carrier's direction of travel in all cases where driving on the left-hand side of the road to reach the boxes would pose a traffic hazard or violate traffic laws and regulations. On new rural or highway contract routes, all boxes must be on the right side of the road in the carrier's direction of travel. Boxes must be placed to conform to state laws and highway regulations. Carriers are subject to the same traffic laws and regulations as are other motorists. Customers must remove obstructions, including vehicles, trash cans, and snow, that make delivery difficult. Generally, mailboxes are installed at a height of 41 to 45 inches from the road surface to the bottom of the mailbox or point of mail entry. Mailboxes are set back 6 to 8 inches from the front face of the curb or road edge to the mailbox door. Because of varying road and curb conditions and other factors, the Postal Service recommends that customers contact the postmaster or carrier before erecting or replacing their mailboxes and supports. (Reference: U.S. Postal Regulation 632.524)

## **IV.5 EMT / Ambulance Standbys Policy**

*Adopted: June 19, 2007*

### **PURPOSE**

To establish a standard policy for EMT / Ambulance Standbys

### **HISTORY**

Frequently the Henniker Rescue Squad is requested to provide EMTs and an ambulance to standby at events that attract crowds of people. It has always been the policy of the Henniker Rescue Squad to honor these requests if an ambulance and crew is available.

On occasion, individual EMTs are requested to perform these standbys on their own accord. Although it is not the intension of the Rescue Squad to dictate what employees do on their own time, it has been our policy to advise individuals not to perform such standbys on their own. The reason for this is that if they perform standbys on their own they will not have workers compensation or liability insurance protection.

Rescue Squad employees are now typically performing these standbys as a paid employee of the Town of Henniker. Since the frequency of these requests have increased the cost to the Town has to increased. The events that require standby are typically not events for the greater good of the entire Henniker Community. Therefore, it is reasonable to charge these individual events to recoup the costs for providing these services.

The following policy establishes guidelines for providing EMT / ambulance standbys. The fee schedule was established to include the pay grade for each provider level, overhead costs (such as insurances), and administrative costs.

The policy is intended to cover standbys for private (non-municipal) entities whether the event is for profit or not-for-profit purposes.

### **POLICY**

1. The request must be made in writing to the Henniker Rescue Squad at least 4 weeks in advance. Exceptions can be made by the Chief of the Rescue Squad.
2. The request shall state: the type of event, estimated attendance, date, time and location of the event, host's name and telephone number.
3. The request shall state the type of standby required. The types of standby are:
  - EMT-Basic or EMT-First Responder
  - EMT-Intermediate
  - EMT-Paramedic
  - Ambulance
4. If an ambulance is not requested, the number and level of EMT requested shall be stated.
5. If an ambulance standby is requested, 58Ambulance2 will generally be used and at least two EMT-Basics or one EMT-Basic and one EMT-First Responder shall accompany the ambulance to the event. If a higher level EMT is required the request must state that.
6. The Rescue Squad Chief (or an appropriate designee) shall review all requests for appropriateness. The Chief (or designee) reserves the right to adjust the level of staffing for the event based on their understanding of the potential emergency medical needs. The staffing levels to be provided will be discussed with the event organizer prior to the event.
7. All requests shall be given due consideration and will be granted unless:
  - There are not sufficient resources available at the time of the event.
  - The nature of the event does not warrant the services of an ambulance and or crew.
  - There is no means to guarantee the safety of the ambulance and or the crew.

8. No less than five (5) days prior to the event, the Chief (or designee) shall notify the event organizer in writing of the decision made regarding their stand-by request.
9. The ambulance and crew shall have the discretion to leave the event if there is an emergency call elsewhere that requires the ambulance and/or crew.
  - If the ambulance must leave, the organizer will be informed if this is possible and does not delay the response to the other emergency scene.
  - Prior to the event, the organizer will be informed of the possibility that the ambulance may have to leave the event due to an emergency call.
10. Subject to staffing availability, the Chief (or designee) reserves the right to provide staffing levels higher than requested (or as determined in #6 above) at no additional cost without notice.
11. In order to provide workers compensation and liability insurance protection to employees, the EMT(s) will convene at the Henniker Rescue Squad Building prior to the event and;
12. The following fees shall apply:
  - The EMT(s) will be on the clock once they arrive at the station. Unless specific circumstances (such as extended travel time) surround the event, the EMT(s) may not arrive more than 30 minutes prior to the requested standby time.
  - The EMT(s) will remain on the clock until they return to the station and all equipment used during the standby has been returned to ready condition.
  - The EMT(s) will fill out a standard Town of Henniker timecard stating the date, standby event name, and the start and end times of the standby.
  - EMT-Basic or First Responder: \$25.00 per hour
  - EMT-Intermediate: \$35.00 per hour
  - EMT-Paramedic: \$50.00 per hour
  - Ambulance: \$50.00 per hour\*

\* Does not include rate for the attending crew.
13. The Town of Henniker will send an invoice to the event organizer for the standby. The invoice will be based on the fees stated above and will be in half hour increments for the amount of time indicated on the timecards.
14. This policy shall not supersede any current or future mutual aid agreements that the Town of Henniker may have with surrounding Towns for emergency services.

A towing service placed on the duty wrecker list shall be kept on this list from January to December of each calendar year except due to dismissals with cause or voluntary resignations from the said list.

The Henniker Chief of Police shall submit an annual fee schedule to the Henniker Board of Selectmen, by December 1st of each year, for implementation the following January through December time period. The current schedule shall stay in effect until the Board of Selectmen approves any changes.

Insurance certificates shall be furnished to the Henniker Police Department on or before the effective date of the contractor service. The service shall provide for not less than 30 days prior notice to the Police Department of any cancellations or major changes in the policies. Owners of duty wreckers shall have a designated person on-call 24-hours per day when active on the duty wrecker list.

All wrecker operators shall be properly licensed for the classification of vehicle operated. Owners shall provide proof of driver identification and possession of required licenses, in writing, to the Henniker Police Department. This information shall include: Full name of any wrecker operators, date of birth of any wrecker operators and the current address of any wrecker operators.

The above information must be updated as wrecker operator's change and shall be submitted to the Henniker Police Department. The Chief of Police or his designee may conduct license checks, motor vehicle history checks and criminal history checks in order to determine if the wrecker operator is a suitable person to be performing towing services. If any person is deemed unsuitable, the reason shall be sufficient for the person's removal from the authorized list of wrecker operators.

The duty wrecker schedule shall rotate weekly. The Chief of Police shall submit an annual wrecker list, for the up-coming year, to the Board of Selectmen and the wrecker companies by December 1st of each year.

When a new company applies to be on the duty wrecker list, the police department shall ensure that the company complies with the requirements set forth in this policy and make a recommendation to the board of selectmen. If the board authorizes the addition of the new company, it shall become part of the on call duty wrecker list the month following the approval. A revised duty wrecker list shall be completed by the police department and provided to each duty wrecker company and the dispatch center.

## **POLICE PROCEDURES**

A Police Department employee or Police Dispatcher shall affect a wrecker call to a designated person or wrecker operator of the duty wrecker from the duty wrecker list in order to provide towing services. The Police Department employee or Police Dispatcher shall provide the designated person or wrecker operator with the location of the vehicle to be towed.

All information pertaining to the removal of a vehicle shall be recorded in the daily police log. The vehicle's registered owner's name may be provided to the designated person or wrecker operator of the towing service. However, no other information (i.e. phone number; address) may be provided. If no registered owner exists, the designated person or wrecker operator may be so informed.

Once a towing service has been contacted by the Police Department for a wrecker call, a lien on the vehicle to be removed shall be considered in effect. Compensation must be made prior to the release of any such vehicle pursuant to N. H. RSA 262.33.

The wrecker notification time and the wrecker arrival time shall be recorded by the dispatch center. The difference shall be the wrecker response time.

The removal of any vehicle shall be classified as a "police request" or a "private request."

A police officer shall stand-by the location of the vehicle being removed until the arrival of the wrecker and until the vehicle has been removed unless extenuating circumstances prevent it. In no cases should a duty wrecker be removing any vehicle without the said vehicle being properly identified by a police officer on scene.

Pursuant to RSA 262:40-a, a vehicle may be removed from private property, at the request of the person in lawful possession of the private property, without a police officer present. The wrecker company shall make notice of such removal to the police department, as soon as reasonably possible.

It shall be the responsibility of the Police Department to cause notice of the removal of any vehicle pursuant to N. H. RSA 262:32.

## **RESPONSE TO CALL FOR SERVICE**

A designated person or wrecker operator must contact the Dispatch Center within 5 minutes when paging systems are utilized. This callback response time shall apply to the duty wrecker's response time.

The wrecker service will notify the dispatch center or police department when they will be unavailable for a short period of time and shall notify the same contact upon their return to service.

The duty wrecker shall respond within 20 minutes during summer months and within 25 minutes during winter months. For the purposes of this section, "summer months" shall be considered April 1st to November 30th of each calendar year and "winter months" shall be considered December 1st to March 31st of each calendar year.

Any wrecker service that happens upon an accident scene or has responded for any reason, other than a police department request, shall not solicit any owners or drivers of vehicles involved in the incident to utilize their service. Doing so may result in immediate suspension from the duty wrecker list.

If a wrecker company receives a call for service from either the police department or dispatch center and the company is NOT on call for that day, prior to responding to the scene, the company shall advise the caller their company is not on call and inquire as to whether or not the duty wrecker company has been called.

## **PENALTIES**

Owners shall be subject to penalties for duty wreckers that arrive late three or more times during the calendar year. Penalties shall consist of removal from the duty wrecker list for period of time ranging from one week to the remainder of the year. Owners may appeal any penalty, in writing, to the Chief of Police within the procedures established for such appeals.

- If the duty wrecker arrives late three (3) times within a calendar year, it may be removed from the duty wrecker list for a period of one (1) week. Written notification shall be provided to the owner or authorized representative of the towing service.
- If the duty wrecker arrives late six (6) times within a calendar year, it may be removed from the duty wrecker list for a period of two (2) weeks. Written notification shall be provided to the owner or authorized representative of the towing service.
- If the duty wrecker arrives late nine (9) times within a calendar year, it may be removed from the duty wrecker list for the remainder of the year. Written notification shall be provided to the owner or authorized representative of the towing service.
- The Chief of Police or his designee may take whatever action they deem necessary and appropriate if any provision of the standards, specifications, guidelines and requirements within this regulation are violated or the towing service engages in any unethical conduct.

## **APPEALS**

Any owner or authorized representative of a towing service on the duty wrecker list who feels any penalties imposed are unfair may appeal to the Chief of Police, who shall wait a minimum of seven (7) days after written notice of such action is forwarded to the towing service. The said appeal must be forwarded in writing to the Chief of Police and a hearing on the merits to such action shall be scheduled prior to any penalties being imposed. If no written request for appeal is received, the penalties may be imposed.

In the case of termination by the Chief of Police, the contractor or wrecker service waives any possible claims for damages.

## **FEES**

Owners shall adhere to the storage and wrecker fee schedule that is approved by the Henniker Board of Selectmen.

Owners of duty wreckers shall maintain ledgers, records and bills for all towing or storage fees and shall make such files available to the Henniker Police Department for a period of six (6) months from the date in which the said vehicle is claimed from storage or declared unclaimed.

## **STRANDED OR DISABLED MOTORISTS**

When a stranded or disabled motorist requires general assistance, the police department shall determine if the owner or custodian of such vehicle has any preference for towing services. If not, the police department shall contact the duty wrecker for the removal of such vehicle, if necessary.

The police department reserves the right to contact the duty wrecker even in cases where the owner or custodian of such vehicle has a preference other than the duty wrecker, when the preferred towing service will result in unreasonable delay or other extenuating circumstances exist.

In cases where a stranded or disabled motorist requires general assistance and no towing, reasonable fees established by the towing service must be paid prior to the release of such vehicle to the owner or custodian.

## **STORAGE**

Vehicles removed by the Police Department and classified as "Non-Impounded" shall be towed to a designated location by the towing service. Such vehicle may be released to the owner or custodian of such vehicle when the towing service has been compensated for any towing and storage charges incurred.

Vehicles removed by the Police Department and stored at any site other than the duty wrecker's storage facility may not be released until the towing service has been compensated for any towing and storage charges incurred.

Vehicles removed by the Police Department may be stored in a suitable place and all charges incurred as a result of such removal and storage shall be a lien against the vehicle which shall be paid by the owner, custodian, or person claiming such vehicle pursuant to N.H. RSA 262:33. Unclaimed vehicles shall be disposed of consistent with the provisions of N.H. RSA 262:36-a.

Wrecker companies shall ensure that owners or drivers of vehicles towed can retrieve their vehicles seven days a week. During weekends and holidays vehicle owners or drivers shall be allowed to retrieve their vehicles during the time frame in which the company would be open on a normal business day. If a vehicle cannot be retrieved due to unavailability of the wrecker company and a request to do so has been made by the owner or driver, the owner or driver of the towed vehicle shall not be charged a storage fee for that day.

## **APPEALS**

Whenever a vehicle is towed under the authority of the Police Department and the owner or other person lawfully entitled to the possession of the vehicle wishes to challenge whether there was sufficient grounds for towing and impoundment, within fifteen (15) days of the towing and impoundment", he/she may request, in writing, a hearing before the Chief of Police pursuant to N.H. RSA 262:33.

## **EXCEPTIONS TO ROTATION PLAN**

When multiple wrecker calls originate from the same incident, the duty wrecker will be requested to remove all vehicles. However, if this cannot be accomplished in a timely manner, the police department reserves the right to contact another towing service. Preference will be given to any towing service on the duty wrecker list.

The Henniker Police Department shall reserve the right to contact another towing service at the discretion of an on-scene police officer in cases of extreme emergencies, hazardous conditions or when unavailability of wreckers on the duty wrecker list create hardship. It also reserves the right to contact another towing service when special equipment is needed such as a ramp truck or heavy-duty wrecker for commercial vehicles or when multiple wrecker calls originate from the same accident. ## **IV.7 Temporary Teleworking Policy**

*Adopted April 21, 2020*

### **Background:**

Due to the current COVID-19 (coronavirus) outbreak, the Town of Henniker (Town) is allowing employees, whose job duties are conducive to working from home, the ability to request, or be assigned, temporary telework arrangements. Please keep in mind this is an evolving situation and this policy may change.

### **Details:**

Employee requests will be considered on a case-by-case basis. Factors of consideration may include: the nature of the employee's duties, the availability of any necessary equipment (personal computer, etc.), and computer and communication connectivity.

Once approved, the employee should not assume any specified period for telework. The Town may require certain tasks to be performed in-office, and/or the Town may require employees to return to regular, in-office work at any time. The Town will continue to monitor guidance from health officials and the need for remote work arrangements.

Teleworking employees must follow all security measures to protect any Town records or files, including electronic information. Employees must follow Town procedures related to computer use, network access, information security and storage of documents. No one other than the employee is permitted to access Town information or use Town equipment.

Employees who are permitted to telework will be required to sign a telework agreement. The telework agreement will cover the period the employee is permitted to work from the approved alternate location (e.g., home). If an employee is granted temporary teleworking arrangements while under a quarantine period, the Town will attempt to provide the employee with enough work to perform. An employee may telework during regular work hours; however, the time he or she is caring for a family member he/she must report those as hours away from work and take paid time off, leave without pay, and fill out a COVID-19 Incident Documentation Form while caring for a spouse (including civil union, common law, and domestic partnership), son, daughter, grandchild, sibling, parent, grandparent, or in-law.

Adopted by unanimous consent of the Henniker Select Board on April 21, 2020.
