

FINAL

**Town of Henniker
Conservation Commission Meeting
December 5, 2018
Grange**

Members Present: Holly Green, Mark Mitch, Sachie Howard, Tracy Sudhalter, and Ross Bennett

Members Excused: Drew Major

Recording Secretary: Kelly McCutcheon

1. Review and approve September and November minutes.

Sachie motioned to approve both September and November minutes with edits. Mark seconded. Motion carried 5-0.

2. Mail

News letter from DES drinking water and ground water bureau.

FEMA information for Contoocook water shed. Survey to be filled out.

3. Town articles

The draft will be ready for the January meeting including the Eisner property, a blurb on Keyser pond, Tracy joining the commission, reviewed wetlands permits, and Azalea Park funding and grant.

4. Mark on budget meeting

Proposed budget approved and addition funding was discussed as well as overall plans to develop a grant for larger watershed management plan for French and Keyser pond.

5. Future plans

Holly talked to the executive director at % Rivers Conservation Trust about Chase Brook, Watman conservation area, and Eisner property. Holly will confirm with town forester if any trails or any details on those properties. Holly will contact Cliff Eisner to see what his plans are for coming years.

FINAL

Mark said as of October 25th emailed from Eisner stating that final conversation area is almost finished and an eagle scout is working on placing a kiosk at the site. And wooden bridge is still in the plans.

6. Other business

Bob Garrison inquired at the November meeting about the foam in the river behind his house. According to his neighbors they do not use a washing machine but observed some campers leaving trash be the pond. The identity of the foam and the source of the foam are unknown at this time.

Mark did get sediments samples from Keyser and French pond Sunday before Thanksgiving. More samples to be taken in January.

Sachie motioned to adjourn. Mark seconded. Motion carried 5-0.
