1. Review and approve minutes December 5, 2018

Sachie motion approve with edits. Seconded by Mark. Motion carried 4-0.

2. Mail

Intent to cut LOT 1-030 appears to be no forestry impact

3. Town Report Article

Holly has been working on the article and will email a rough draft to all commission members to review. The report will include Tracy joining as well as the new Town Forester and management plans for the future.

4. Foster Conservancy Timber Harvest site visit

The site visit will take place on Saturday the 12th with the time to be determined by land owner and weather permitting.

5. Other business

An initiative had been started to reduce the use a single use plastic amongst the areas surrounding the Contoocook River. No action is presently needed.

Mark motioned to adjourn. Sachie seconded. Motion carried 4-0.
