FINAL

Initial round of sampling on French Pond and Keyser Pond will happen once all the ice has melted from the ponds.

Azalea park has bid from Stone Wall Management and are negotiation the timing of construction with the school, most likely the first week in July. End of July will be the work on the entrance. There was no bid on the entrance this spring, thus it will depend on donations to complete the entrance. Two native Azaleas will be planted this year.

Holly motions to adjourn. Mark seconds. Motions carries 4-0.

Adjourn at 8pm
