

Unapproved Minutes

Henniker Energy Committee Meeting December 18, 2022

Grange Hall

Attendees: Mark Mitch, Mike French, Bill Marko, Scott Osgood

Meeting called to order 7:05 PM

We brainstormed ideas for activities the Committee might become involved in:

1. Solar PV Systems to offset the Town's municipal electricity usage
2. LED lighting for the decorative streetlamps in the downtown area
3. Investigate public access Electric Vehicle chargers in Henniker
4. Energy Savings in municipal buildings
 - a. Fire department windows
 - b. Community Center exterior doors still drafty
 - c. Community Center web access programmable thermostat for main hall
 - d. Send out poll to all departments asking for recommendations in other buildings
 - e. Historical Society Building, Academy Hall, will be extensively rewired

Meeting adjourned 7:50 PM
