Website:

Heather Jones updated the committee on the status of the new website. The website is close to being ready and will be live in the next day or so. Invitations were sent to committee members to login to the new website. Committee members will login and create a profile. It was discussed that registration is done differently on the new platform. Heather Jones will speak to Sports Engine representative to ensure website goes live and registration is able to open for Softball and Baseball. Website link will be the same link that is currently available on the town webpage.

Coach registration:

It was discussed that many of the background checks on coaches have expired. It was discussed that on the new platform coaches will be able to register. A direct link will be sent from director to possible coach. The coach registration link will be by invite only. The committee decided to utilize the background check (good for 2 years) -\$40 and Safe Sport training - \$5 each per coach. These will be done through Sports Engine.
