

"The only Henniker on Earth."
Office of the Town Administrator

To: Board of Selectmen, employees, volunteers, and Town of Henniker
From: Diane Kendall, Town Administrator
Date: May 21, 2024
Ref: **Town Administrator's Report**

Hazard Mitigation Plan Update: The HMC work session was held Monday May 13th the Town Office conference room with a link for people to participate remotely. The participants included appointed department heads or their delegate; invited stakeholders and interested members of the public. Tasks included:

- Group consensus activity- how will intensity change for each natural hazard over the next in 10 years.
- Group consensus activity- What is the highest possible magnitude/ extent the hazard could reach in Henniker in the next 10 years.

Old Concord Rd Fire Pond Status: Accura will be placed rounded river stone over the exposed riprap on Monday May 20th. This is required to fill the gaps between the stones to prevent turtles from getting stuck there. A permit requirement.

FEMA Preliminary Damage Assessment April 3-5th storm: Reporting for FEMA

Code Enforcement: Working with Code, Fire, Health and Human Services officers to resolve new and outstanding complaints and violations.

Perambulation: The project stalled over the winter; seeking volunteers and Selectmen to re-start the process.

Fire Department: Received Governor and Counsel approval for EOC generator grant.

Other projects: Seeking legal assistance with property deeding and code enforcement. Solid Waste and Recycling ordinance and fee update; request reimbursement for Communications Tower; Wastewater grant application; ARPA fund reconciliation and final allocation requests; procurement policy.
