VII. ADJOURNMENT

Please see the town website www.henniker.org and bulletin boards for meeting dates, times, locations, and agendas. ([Calendar: Public Meeting + Holiday | Henniker, NH](#))

Visitor Orientation to the Town Selectman's Meeting

Welcome to this evening's Selectmen's meeting. Please note that the purpose of the meeting is for the Selectmen to accomplish its work within a qualitative timeframe. Meetings are open to the public, but public participation is limited. If you wish to be heard by the board, please note the "Public Comment" at the beginning and end of the meeting to speak about items on a meeting agenda and/or matters pertaining to the business of the Selectmen. In addition, public hearings may be scheduled for public comment on specific matters. Speakers must be residents of the Town of Henniker, property owners in the town of Henniker, and/or designated representatives of recognized civic organizations or businesses located in the Town of Henniker. When they are at the podium, speakers first need to recite their name and address for the record. Visitors should address their comments to the board and not to any individual member. Each speaker shall be provided with a single opportunity for comment, limited to three (3) minutes. Public forum shall be limited to fifteen (15) minutes. Visitors should not expect a response to their comments or questions since the Board may not have discussed or taken a position on a matter. Public Comment is not a two-way dialogue between speaker(s), Selectmen, and/or the Town Administrator. The Chair will preserve strict order and decorum at all Board of Selectmen meetings. Outbursts from the public are not permitted.

TOWN OF HENNIKER PUBLIC NOTICE OF BOND AND BUDGET HEARINGS

Tuesday February 13, 2024, at 6:30 p.m.

Henniker Community Center
57 Main Street Henniker, NH 03242

Notice of 2024 Wastewater Bond or Note Hearing

On Tuesday, February 13, 2024, at 6:30p.m. at the Henniker Community Center, 57 Main Street, Henniker, NH in compliance with, the provisions of the Municipal Finance Act (NH RSA 33:1 et seq., as amended), the Board of Selectmen/Wastewater Commissioners will hold a public hearing for the purpose of discussing and hearing public input for the proposed 2024 warrant article to authorize issuance of a bond or note in the sum of \$1,500,000 through the State Revolving Fund loan program for the purpose of supplemental upgrades to the wastewater treatment facility. It is anticipated that the Town will receive up to \$425,000 in principal forgiveness from the State Revolving Fund loan program. The remaining bond for this project will be funded by general taxation.

Notice of 2024 Conservation Commission Bond or Note Hearing

On Tuesday February 13, 2024 and immediately following the 6:30 p.m. Wastewater Bond or Note Hearing, in compliance with, the provisions of the Municipal Finance Act (NH RSA 33:1 et seq., as amended), the Board of Selectmen will hold a public hearing for the purpose of discussing and hearing public input for the proposed 2024 warrant article to authorize a bond or note in the sum of \$100,000 for the purpose of contracting a Lake Management Consulting Firm to study conditions and provide design solutions to reduce external and internal phosphate loading in French and Keyser Ponds, to mitigate recurring Cyanobacteria algae blooms in these ponds. It is anticipated that there will be \$100,000 in principal loan forgiveness under the New Hampshire Department of Environmental Services Clean Water State Revolving Fund (NH CWSRF). The principal loan amount of \$100,000 will be forgiven per the terms of the NH CWSRF agreement. No property tax impact.

2024 Henniker Operating and Wastewater Budget Hearing

On Tuesday February 13, 2024, and immediately following the Conservation Commission Bond or Note Hearing, in accordance with RSA 32:5, I, Henniker Board of Selectmen/Wastewater Commissioners will hold a public hearing to review and hear public input on the proposed 2024 Henniker Municipal and Wastewater operating budgets and warrant articles.

More information about the hearings, proposed warrant articles and budget is available at the Town of Henniker Town Office, 18 Depot Hill Rd, Henniker NH 03440 and on the Town of Henniker website www.henniker.org or by calling 603-428-3221.

Henniker Board of Selectmen and Wastewater Commissioners

No charges filed as car hits pedestrian in Weare

On January 11th Phillip Methot of Weare was driving a 2022 Ford Super Duty on South Stark Highway. As he was turning left onto Flanders Memorial Road, the vehicle struck a pedestrian who was walking from Zoombie to her residence on North Stark Highway. She was crossing the street approximate ten feet

from the intersection to the back door of her home. She was medically assessed by Weare Fire/Rescue and transported to Concord Hospital for further evaluation.

No charges were filed as Methot had a blood alcohol level of 0.00.

Only minor injuries in Antrim accident on Sunday

Sunday's sudden snow squall caused a two-car accident on Concord Street (Route 202) in Antrim, but only minor injuries were reported.

The incident happened around 4:20 p.m. Antrim Police report that two sedans were involved and slid off the road, probably due to poor visibility and slick road conditions.

Officer Cody Lacombe of the Antrim Police De-

partment, who was present at the incident for traffic control, noted that a Facebook post by SWNH Alerts and Info was inaccurate.

The post reported that a "head-on collision" had resulted in multiple injuries with "second ambulance requested." "This was not the case. There were only minor injuries. Fortunately no one was seriously hurt," Lacombe said Tuesday.

False alarm dispatches Newbury Fire/Rescue

Newbury Fire Rescue was recently dispatched to a call for an "Accident with injuries" at a location on Route 103. Car 1 and Newbury Police responded on Route 103 attempting to locate the crash while Rescue 1 and Engine 4 stood by waiting to respond to an exact location. NH 911 called the phone number back with no answer.

When the 911 operator was finally able to contact the owner of the phone out of town, they were told that

they had placed their cellphone on the roof of their car and it had fallen to the ground. They were unaware that the phone had called 911 and didn't answer the phone when the operator called back.

iPhone owners should be aware that their phones have this feature and if an emergency call is made, they should immediately press the "cancel" button and call 911 and explain to the operator that the alarm was sent by accident.

TOWN WARRANT 2024

Town of Henniker
State of New Hampshire

The polls will be open for voting
at the Henniker Community School Gymnasium
51 Western Avenue
from 7:00 AM to 7:00 PM
Tuesday, March 12, 2024

Planning Board Approved Zoning Changes 2024

Zoning Ballot

2. **Are you in favor of amending Chapter 133, Zoning Regulations, as proposed by the Planning Board as follows?** Amend Article VIII Commercial District Regulation, Section 133-31 Commercial Uses in CR Commercial Recreation District by deleting multi-family dwelling use by Special Exception and allowing the use as Permitted, in addition allow House of Worship and Excavation uses as Permitted uses. Also delete Section 133-31 Permitted Commercial uses as well as uses allowed by Special Exception in Commercial Recreation District CR-1 regulations in its entirety. Also amend Article III Establishment of Districts, Section 133-4 Zoning District to delete reference to CR-1 Commercial Recreation District with the noted lots to be considered as part of the CR District. In addition, amend Section 133-4 paragraph A. referencing the CR-1 District and delete paragraph C. In addition, amend the Official Zoning Map to rezone all property presently zoned CR-1 to CR. In addition, amend Article X Lot Size Regulations Section 133-40 Lot Size Table(s) removing reference to CR-1 and amend the minimum lot area for the CR District to reduce the minimum lot area from 2 acres to 1.5 acres.

TOWN WARRANT

Addendum

2024

Town of Henniker
State of New Hampshire

Town Meeting begins at 1:00 PM
at the Henniker Community School Gymnasium
51 Western Avenue
Saturday, March 16, 2024

To the inhabitants of the Town of Henniker
in the County of Merrimack in the said State
qualified to vote in Town Affairs:

You are hereby notified to meet at the
Henniker Community School Gymnasium in Henniker
on Saturday the Sixteenth (16th) day of March 2024,
at one o'clock (1:00 p.m.) in the afternoon
to act upon the following:

- 3) To see if the Town will vote to raise and appropriate the sum of \$1,500,000 for the purpose of supplemental upgrades to the wastewater treatment facility, that will qualify the Town for federal and state funds, such sum to be raised by the issuance of serial bonds and notes not to exceed \$1,500,000 under, and in compliance with, the provisions of the Municipal Finance Act (NH RSA 33:1 et seq., as amended) and to authorize the Town officials to issue and negotiate such bonds or notes and determine the rate of interest thereon, and to take such actions as may be necessary to affect the issuance, negotiation, sale and delivery of such bonds or notes as shall be in the best interest of the Town. Additionally, to authorize the Town to apply for and accept grants or other funds that may reduce the amount to be repaid and participate in the State Revolving Fund (SRF) RSA 486.14 established for this purpose, and to allow the Town to expend such monies as become available from the federal and state governments and pass any vote relating thereto. It is anticipated that the Town will receive up to \$425,000 in principal forgiveness from the State Revolving Fund loan program. The remaining bond for this project will be funded by general taxation.

Majority Vote Required

- 4) Shall the Town of Henniker vote to raise and appropriate the sum of \$100,000 (One Hundred Thousand Dollars) to hire a Lake Management Consulting Firm to study conditions and provide design solutions to reduce external and internal phosphate loading in French and Keyser Ponds -- to mitigate recurring Cyanobacteria algae blooms in these ponds. And to authorize the issuance of \$100,000 of bonds or notes in compliance with the Municipal Finance Act, RSA 33:1 et seq., as amended, with the amount of such bonds or notes to be reduced by any grant funding received for the project; to authorize the Selectmen to apply for, obtain and accept federal, state or other aid, if any, which may be available for said project and to comply with all laws applicable to said project; to authorize the Selectmen to issue, negotiate, sell and deliver said bonds and notes and to determine the rate of interest thereon and the maturity and other terms thereof; and to authorize the Selectmen to take any other action or to pass any other vote relative thereto. It is anticipated that there will be \$100,000 in principal loan forgiveness under the New Hampshire Department of Environmental Services Clean Water State Revolving Fund(NH CWSRF). Fiscal Impact Note: The tax impact associated with this will be \$0.00 per \$1,000 valuation. The principal loan amount of \$100,000 will be forgiven per the terms of the NH CWSRF agreement. No Tax Impact.

Majority Vote Required

SPACE LEFT INTENTIONALLY BLANK

- 5) To see if the Town will vote to raise and appropriate the sum of Six Million Six Hundred Sixty Thousand Six Hundred Forty-Two Dollars (\$6,660,642) for general municipal operations.

- 6) Appropriation to Capital Reserve Funds
 To see if the Town will vote to raise and appropriate the sum of Four Hundred Seventy Thousand Dollars (\$470,000) to be added to previously established Capital Reserve Funds as follows:

Highway Equipment	200,000
Wastewater	100,000
Fire Equipment	100,000
Bridge Repair	25,000
Transfer Station	30,000
Property Revaluation	15,000
TOTAL	470,000

Majority Vote Required

- 7) To see if the Town will vote to raise and appropriate the sum of Eighty Thousand Dollars (\$80,000) to be added to the Ambulance Capital Reserve Fund established in 1988 under the provisions of RSA 35:1 for the purchase of an ambulance for the Rescue Squad, of which the amount of \$10,000 (Ten Thousand dollars) to come from the Town of Bradford. If these funds are not received, the appropriation will be reduced to \$70,000 which will be raised through general taxation.

Majority Vote Required

- 8) Appropriation to Expendable Trust Funds
 To see if the Town will vote to raise and appropriate the sum of Eight Hundred Fifty-Five Thousand Dollars (\$855,000) to be added to previously established Expendable Trust Funds as follows:

Road Maintenance	700,000
Police Department Site Purchase, Building Engineering, Design and Construction	100,000
Fire & Rescue Building Maintenance	25,000
Police Department Equipment	10,000
Town Owned Building	10,000
Highway Building Maintenance	5,000
Parks	2,500
Town Technology	2,500
TOTAL	855,000

Majority Vote Required

- 9) To see if the Town will vote to raise and appropriate the sum of Three Hundred Five Thousand Dollars (\$305,000) for the purchase of a New Highway Dump/Plow Truck and authorize the withdrawal of Three Hundred Five Thousand Dollars (\$305,000) from the Highway Equipment Capital Reserve Fund established at the 2007 Town Meeting under the provision of RSA 35:1 for the purpose of purchasing highway equipment.

Majority Vote Required

- 10) To see if the Town will vote to raise and appropriate the sum of Twenty thousand dollars (\$20,000) for the purpose of continued restoration of granite and mortar on the exterior of the Tucker Free Library. Furthermore, this appropriation is 100% reimbursable to the Town from a Conservation License Plate Grant Program offered through the State of New Hampshire. If the grant is not received, this article will be null and void.

Majority Vote Required

- 11) To see if the Town will vote to raise and appropriate the sum of Two Hundred Sixty-Six Thousand Two Hundred Forty-Four Dollars (\$266,244) for the Tucker Free Library with said amount to be funded by general taxation.

Majority Vote Required

Tucker Free Library Trustees Recommend

- 12) To see if the Town will vote to raise and appropriate the sum of Ten Thousand Dollars (\$10,000) to be added to the Library Accessibility and Safety Project Expendable Trust Fund established at the 2022 Town Meeting under the provisions of RSA 31:19-a, with said amount to be funded by general taxation.

Tucker Free Library Trustees Recommend

- 13) To see if the Town will vote to raise and appropriate the sum of Seven Hundred Eighty Thousand Seven Hundred and Ninety-Two Dollars (\$780,792) for the operating expenses for the Wastewater Treatment Plant with Six Thousand Five Hundred Twenty-Five Dollars (\$6,525) to offset this appropriation by an anticipated water pollution grant and the remainder to be raised by Sewer assessments. No amount to come from general taxation.

Majority Vote Required

- 14) To see if the Town will vote to raise and appropriate the sum of Five Hundred Fourteen Thousand Six Hundred Sixteen (\$514,616) for the operating expenses of Cogswell Spring Water Works with said funds to come from Water assessments. No amount to come from general taxation.

Majority Vote Required

Water Commissioners Recommend

- 15) Shall we modify the income and asset limit qualifications for the elderly exemptions from property tax in the Town of Henniker, based on assessed value, for qualified taxpayers. To qualify, the person must have been a New Hampshire residence for at least 3 years, own real estate individually or jointly, or if the real estate is owned by such person's spouse, they must have been married for at least 5 years. In addition, the taxpayer must have a net income of not more than \$70,000 (currently \$48,800), or, if married, a combined net income of less than \$85,000 (currently \$61,000); and own net assets not to exceed \$400,000 (currently \$84,000).

Note: The persons residence equals actual residence and land upon which it is located up to the greater of 2 acres of the minimum single family residential lot size specified in the local zoning ordinances.

Submitted by Petition

- 16) To see if the Town will vote to eliminate monthly meeting space rental fees paid by an organization whose efforts benefit residents of Henniker.

An organization that raises or contributes cash, items, or public service work hours of 2,000 per year or more (in value) for the benefit of the Town of Henniker or its residents will not be charged to pay rental fees to the Town for regularly scheduled meeting space (special event space rentals are not covered by this article). This authorization to remain in effect until rescinded by a vote of the Town Meeting. (Majority vote required)

Submitted by Petition

To transact any other business that may legally come before this meeting. (This article is meant to allocate time that public acknowledgments may be voiced and is not mean to add additional articles to the meeting. The final decision is the responsibility of the Town Moderator (per Henniker Town Counsel).

Given under our hands and seal the ___ day of February 2024

Town of Henniker
Board of Selectmen
Wastewater Commission

Article #3 Issuance of \$1.5M Bonds for the Purpose of Supplemental Upgrades to the Wastewater Treatment Facility.

To see if the Town will vote to raise and appropriate the sum of \$1,500,000 for the purpose of supplemental upgrades to the wastewater treatment facility, that will qualify the Town for federal and state funds, such sum to be raised by the issuance of serial bonds and notes not to exceed \$1,500,000 under, and in compliance with, the provisions of the Municipal Finance Act (NH RSA 33:1 et seq., as amended) and to authorize the Town officials to issue and negotiate such bonds or notes and determine the rate of interest thereon, and to take such actions as may be necessary to affect the issuance, negotiation, sale and delivery of such bonds or notes as shall be in the best interest of the Town. Additionally, to authorize the Town to apply for and accept grants or other funds that may reduce the amount to be repaid and participate in the State Revolving Fund (SRF) RSA 486.14 established for this purpose, and to allow the Town to expend such monies as become available from the federal and state governments and pass any vote relating thereto. It is anticipated that the Town will receive up to \$425,000 in principal forgiveness from the State Revolving Fund loan program. The remaining bond for this project will be funded by general taxation.

Recommended by the Wastewater Commissioners, Board of Selectmen, X-X.
(3/5 majority vote required).

TOWN OF HENNIKER
BOND HEARING MEETING
HENNIKER WWTF
UPGRADE SUPPLEMENTAL
by
Underwood Engineers

Henniker Projects Summary

- The Town is committed to investment in their critical wastewater infrastructure. The following is a list of the recent and ongoing projects by the Town:
 - Asset Management Plan – Completed 2019 & identified upgrade needs.
 - CMOM (Capacity, Management, Operation & Maintenance) – Ongoing plan for the collection system required by EPA.
 - Henniker WWTF Upgrade – Ongoing \$5M project to upgrade WWTF & PS's.

Henniker WWTF Upgrade Supplemental

- Further upgrades needed to address aging infrastructure, meet current standards and provide process optimization and energy efficiency.
- Town has been offered CWSRF loan of \$1.5M with \$0.425M of principal forgiveness
- Town must vote on warrant article in March 2024 (Loan offer expires June 2024)
- Scope of Work
 - WWTF - New Screening and Screening Handling System
 - WWTF - Replacement effluent flow metering System
 - WWTF - Replacement VFDs & Site-wide Lighting
 - WWTF - New Plant Water System
 - WWTF - New Nitrate Recycle System
 - WWTF - New SCADA System

Conservation Commission Town of Henniker Warrant Article March 2024

Shall the Town of Henniker vote to raise and appropriate the sum of \$100,000 (One Hundred Thousand Dollars) to hire a Lake Management Consulting Firm to study conditions and provide design solutions to reduce external and internal phosphate loading in French and Keyser Ponds -- to mitigate recurring Cyanobacteria algae blooms in these ponds. And to authorize the issuance of \$100,000 of bonds or notes in compliance with the Municipal Finance Act, RSA 33:1 et seq., as amended, with the amount of such bonds or notes to be reduced by any grant funding received for the project; to authorize the Selectmen to apply for, obtain and accept federal, state or other aid, if any, which may be available for said project and to comply with all laws applicable to said project; to authorize the Selectmen to issue, negotiate, sell and deliver said bonds and notes and to determine the rate of interest thereon and the maturity and other terms thereof; and to authorize the Selectmen to take any other action or to pass any other vote relative thereto. It is anticipated that there will be \$100,000 in principal loan forgiveness under the New Hampshire Department of Environmental Services Clean Water State Revolving Fund(NH CWSRF). Fiscal Impact Note: The tax impact associated with this will be \$0.00 per \$1,000 valuation. The principal loan amount of \$100,000 will be forgiven per the terms of the NH CWSRF agreement. No Tax Impact.

Cyanobacteria in New Hampshire Waters

What are Cyanobacteria?

Cyanobacteria (formerly known as blue-green algae) are photosynthetic bacteria that utilize the sun's energy but also behave as bacteria. Cyanobacteria are some of the earliest inhabitants of our waters; naturally occur in most of our lakes, though often in relatively low numbers in New Hampshire. Many species of cyanobacteria grow in colonies to form surface water "blooms." Blooms are usually blue-green in color and consist of thousands of individual cells. Research indicates that cyanobacteria abundance increases as lake nutrients increase, however each taxa have their own unique requirements for growth.

Cyanobacteria Blooms

Although most often seen when floating near the surface during the swim season, many cyanobacteria spend most of their life cycle suspended throughout the water column, regulating their buoyancy to suit their needs. Cyanobacteria can also overwinter, surviving on the lake bottom during the winter months. Increased water temperature and light in the spring promote the upward movement of cyanobacteria through the water column toward the surface where blooms or scums are often formed. The surface blooms become caught in the surface tension and are subject to dispersal or accumulation based on weather, wind and lake morphometry. These scums are observed in summer in New Hampshire, when lakes are visited the most. Though cyanobacteria blooms are sometimes reported in the fall, or even as late as when ice cover occurs.

Why are Cyanobacteria a Concern?

While cyanobacteria blooms are considered unsightly and aesthetically displeasing, there are more serious concerns associated with high concentrations of cyanobacteria. Many taxa of cyanobacteria produce toxins (“cyanotoxins”) and have been reported to adversely affect livestock, domestic animals and humans globally. According to the World Health Organization (WHO), toxic cyanobacteria are found worldwide in both inland and coastal waters. The WHO has documented acute impacts to humans from cyanobacteria from the US and around the world as far back as 1890. While most human health impacts have resulted from ingestion or injection, cases of illnesses have also been attributed to swimming in cyanobacteria infested waters.

The possible effects of cyanobacteria on the “health” of New Hampshire lakes and their natural inhabitants, such as fish and other aquatic life, are under study at this time. The Center for Freshwater Biology (CFB) at the University of New Hampshire is currently examining the potential impacts of these toxins upon the lake food web and from aerosols. The potential human health hazards via exposure through drinking water and/or during recreational water activities are a concern. Exposure to toxic cyanobacteria scums may cause various symptoms, including nausea, vomiting, diarrhea, mild fever, skin rashes, eye and nose irritations, numbness and general malaise. Some studies suggest cyanobacteria may be linked to serious illness.

Do Cyanobacteria Occur in New Hampshire Waters?

The first reports of toxic cyanobacteria in New Hampshire occurred in the 1960s and 1970s. Cyanobacteria have been found in a majority of lakes in New Hampshire, but most often cyanobacteria numbers present in our lakes are near the minimum level of detection. The most common cyanobacteria found in New Hampshire are *Dolichospermum (Anabaena)*, *Microcystis*, *Aphanizomenon*, *Woronichinia*, and *Oscillatoria (Planktothrix)*. Though there are also unique blooms such as *Gloeotrichia* and *Nostoc*. There are several different cyanobacteria taxa found in NH waters.

If you Observe a Cyanobacteria Bloom or Scum, please call NHDES at (603) 848-8094.

NHDES will sample the scum and determine if it contains cyanobacteria. If concentrations are elevated, a lake warning will be issued. NHDES will continue to monitor the water and will notify the appropriate parties regarding the results of initial and subsequent testing. Public notification occurs through press releases and the NHDES website. When monitoring indicates that cyanobacteria are no longer present at levels that could harm humans or animals, the lake warning will be removed. If anyone comes in contact with a cyanobacteria bloom or scum (including pets), they should rinse off with fresh water as soon as possible.

- ✓ Do not wade or swim in the water, especially near surface blooms.
- ✓ Do not drink the water; avoid drawing lake water.
- ✓ Do not let pets or livestock into or near the water; dogs are especially vulnerable to toxic cyanobacteria.
- ✓ Call NHDES to report a cyanobacteria bloom sighting.

Where to Find Current Cyanobacteria Advisories and Warnings

Please visit <https://www.des.nh.gov/> and click “Beach Advisory” under the ALERTS banner on the left sidebar to access the currently posted advisories and lake warnings for elevated bacteria and cyanobacteria blooms. These advisories and warnings will be spatially displayed on an interactive map as well as listed with text descriptions below the map.

2024 HENNIKER GENERAL FUND OPERATING BUDGET AND WARRANT ARTICLES HEARING FEBRUARY 13, 2024

EXECUTIVE SUMMARY

The Selectboard and Budget Advisory Committee met in the fall of 2023 and set the objectives for department heads to present budget requests adequate to maintain the current level of service. Multiple adjustments have been made to department line items as new information came forward. The following reports represent the final department recommended budgets for 2024.

2023 was the first full year of the fund accounting software implementation. The new software allows us to better meet GAAP standards, provide timely and updated information for increased financial analysis, transparency, and accountability. The reader will see reorganization of the town chart of accounts to better align with the Department of Revenue reporting software and the state chart of accounts.

The general fund operating budget request is \$6,926,886 which is an expenditure increase of \$ 400,998 or 6.14% over \$6,525,888 in 2023. The traditional individual warrant article to appropriate annual anticipated Highway Block Grant Funds has been eliminated and a new line item has been added to department function 4312-Highway and Streets for \$130,000 which is offset 100% by the anticipated grant revenue. The decision to reclassify the highway block warrant article to operating budget was made after consultation with the Highway Director and Department of Revenue advisors. Since \$130,000 of the operating budget increase is 100% offset by highway block grant revenue, the net general fund operating increase is **\$ 270,998 or 4.15% over 2023.**

General fund operating revenue is estimated to be \$2,897,544, an increase of \$382,617 or 15% over \$2,514,927 estimated 2023. If we exclude the \$130,000 in offsetting revenue from the Highway Block grant, the net increase to revenue is \$252,617 or 10%.

The estimated net to be raised by taxation for general fund operating expenditures is \$4,029,342 increase of \$18,381 or .5% over \$4,010,961 estimated in 2023.

The 2024 Warrant includes two articles for borrowing which total \$1,600,000.

- The first is put forth by the Wastewater Commissioner/Board of Selectmen for supplemental upgrades to the wastewater treatment plant funded by \$1,500,000 State Revolving Fund loan with anticipated \$425,000 in principal forgiveness. The remaining bond for the project will be funded by general taxation.
- The second article to borrow is put forth by the Conservation Commission to borrow \$100,000 in Clean Water State Revolving Funds with 100% loan forgiveness. The funds will be used to hire a Lake Management Consulting Firm to study conditions and provide design solutions to reduce external and internal phosphate loading in French and Keyser Ponds -- to mitigate recurring Cyanobacteria algae blooms in these ponds.

Warrant articles to fund capital reserve and expendable trust accounts total \$1,415,000 which is an increase of \$65,000 and 4.81% over 2023.

Other Warrant Articles include:

- \$305,000 for the purchase of highway equipment funded by existing capital reserve funds.
- \$80,000 for Ambulance capital reserve offset by \$10,000 in revenue from other governments.
- \$10,000 to the Library Accessibility and Safety expendable trust fund
- \$20,000 for Tucker Free Library building repairs offset 100% in Moose Plate grant.
- \$266,244 for Tucker Free Library operating expenditures. (included in function 4550 Library of the total General Fund operating budget)
- \$514,616 requested by the Cogswell Water Commissioners, offset by assessments and other revenue.
- \$780,792 requested by the Wastewater Commissioners, offset by assessments, grant revenue and wastewater fund balance.

TAX RATE CALCULATION AND BILLING

The Town's portion of the total tax rate supports all areas of local government under the authority of the Henniker Town Officials. The municipal operating budget adopted by the legislative body is the sum of the expenses to administrate and deliver all town services to protect the public health, safety, and general welfare of their residents. Examples of efforts include police, fire, and rescue services; water, sewer, road, and bridge infrastructure; sanitation; regulation of new development; and environmental, social, recreational programs.

The amount to be raised by property taxes is the total operating expenditure, capital outlay and other special and individual warrant articles minus non-property tax revenue such as fees, grants, unassigned fund balance and state sources. The net amount raised is divided by the total valuation of the town to determine the tax rate to be applied per thousand of property value.

Annual property values are affected by cyclical revaluations, market conditions, development, new builds, and improvements. The valuation used for the town tax rate in 2023 was \$737,302,447. 2024 values will be reported as of April 1, 2024. We can estimate that \$737,302 of appropriation or the same in non-tax revenue will impact the tax rate by \$1.00; \$73,730 will impact the tax rate by .10 cents; \$7,373 will impact the tax rate by .01 cent.

The annual tax rate is set in the fall of the current budget year, after towns, schools and counties have submitted annual budgets, prior year audited financial statements, and revised revenue estimates. The 2023 town rate per \$1,000 of assessed value was \$6.93. To estimate the 2024 town portion of the tax rate we use the 2023 valuation of \$737,302,447 divided by the estimated 2024 net amount to be raised \$5,546,342 to arrive at **\$7.52**.

UNASSIGNED FUND BALANCE

Unassigned fund balance (UFB) is the residual of prior year budget underspend combined with revenue receipts in excess of revenue estimates. The Board of Selectmen adopted a Fund Balance Policy that may appropriate any amount of the UFB more than the designated percentage minimum of 6% and maximum of 10% to offset property taxes as part of the final adopted budget for the fiscal year. In addition, excess funds may be used, upon town meeting approval, for capital improvement projects, equipment replacement and other similar budgetary needs. The current unassigned fund balance is \$1,718,373 or 8.67% of general fund expenses. Retaining a minimum UFB of 6% would allow a maximum \$529,771 to be used upon town meeting approval. **We recommend the use of excess current UFB in the amount of \$400,000 to offset the operating budget.** Additional fund balance may be used to offset tax rate in the fall in the tax rate setting period, after 2023 audited financial statements are available.

2024 REQUESTED BUDGET PRESENTATION

Chart of Account Reorganization

NH Chapter Rev 1705 CLASSIFICATION OF EXPENDITURE AND EXPENSE FUNCTIONS AND PROGRAMS describes the general account codes associated with municipal functions. We have reorganized some of the Henniker chart of accounts to better align with the chart used by the State Department of Revenue.

Highlights:

- Department codes have been added for Assessing, General Government Buildings, and Parks and Property
- Expense codes have been reclassified to the proper departments as described in the state chart.
- New subaccounts have been created for clarity and financial analysis purposes.

Wages:

Based on the town's Personnel Policy, regular employees are entitled to 0% to 4% merit adjustments effective the first pay period in April. For budgeting purposes based on incoming performance rating scores, an average merit adjustment of 3.5% has been applied to 2023 wage data.

The personnel policy describes the application of the State of NH Cost of Living Adjustment (COLA) to the Henniker wage scale effective the first pay date in January of the budget year. The current state adjustment is 10%. The Board of Selectmen agreed to a draft budget to include a 2% COLA adjustment to 2023 wage data.

Other wages include stipends for elected and government officials, volunteers, and employee duties beyond normal job descriptions.

Wages, stipends, payroll taxes, insurances, and retirement benefits combine to the amount of \$3,979,033 and account for about 57% of the general fund operating budget. The total is \$120,998 over \$3,858,035 in 2023.

Health, Dental and Life, Disability Benefits:

The town is a member of NH non-profit risk pool HealthTrust. HealthTrust provides value with enrollment, retiree and claim administration, education, wellness resources tool and benefits, lower premiums, and more stable pricing. NH has other member risk pool organizations, and a prior examination of these options does not yield significant benefit. Employees may choose from benefit options that range from low to high deductibles options. The employee/employer cost share for a \$1,000/\$3,000 deductible is 8% employee and 92% employer for up to family plan enrollment. The cost share for a higher deductible plan is 100% employer funded. Employees electing a no deductible plan pay the difference in cost share of the \$1,000/\$3,000 plan. Employees who opt out of the health insurance benefit receive an annual \$5,000 option. Decreasing the cost share to 91% of the standard plan would have an estimated net budget decrease of \$3,000 and 90% \$6,047.

The guaranteed maximum rates (GMR) for the July 1, 2024, renewal is a 14% increase. The configuration of employees with family plans to individuals and opt-opts has changed offsetting the impact of the premium rate increase. Dental rates are also cost shared at approximately 50% and have a GMR of 4.7%.

Employees receive short term, long term, and life insurance benefits of which premiums have remained the same or decreased.

The overall increase in benefit expenses for 2024 over last year is estimated to be \$58,982 for the general fund. Much of the increase is due to turnover and employee election of single, 2-person and family plans.

Retirement:

Regular full-time employees shall be enrolled in the New Hampshire Retirement System. The current rates are effective through June 30, 2025. Employers shall contribute a percentage of eligible gross wages: 31.28% police, 30.35% fire, and 13.53% all other employees.

Payroll Taxes and Workers Compensation:

Employers are responsible for paying their portion of federal Social Security 6.2% and Medicare 1.45% taxes of wages. Full time police are only subject to Medicare taxes on regular gross wages.

NH Employers are responsible for state unemployment, which is pooled and paid through risk pool membership in Primex member contributions. Contribution rates have decreased by 6.6% over the prior period to \$909 annual contribution.

Primex Workers Compensation contributions will increase by 10% to \$59,990 annual contribution.

Property and Liability Program:

Risk coverage for property and liability is through member contributions to Primex. The 2024 contribution is increasing 7% over 2023 to \$132,389. Factors affecting the reinsurance market include catastrophic weather events, inflation, and actuarially determined loss estimates. Primex delivers value with member rate included legal and human resources services, training, assessment, and administration of claims.

Energy:

The town established an Energy Committee in 2023. The committee conducted an analysis of energy use and recommendations were presented to the Board of Selectmen for future inclusion in the CIP.

Heating Fuels:

The town issues an annual request for bid for heating fuels for all departments. #2 oil is used for Town Hall, Police Dept, WWTP and Library. Propane is used for Cogswell Water, Grange, Community Center, Fire/Rescue, Highway and WWTP. Mini splits heat/ac units installed at Town Hall and Community Center and used as supplemental heat appear to have a positive effect in energy consumption.

The 2024 accepted bids are:

- #2 heating oil is \$3.419 per gallon, estimated 6,100 gallons; and
- propane \$1.439 per gallon, estimated 8,800 gallons

Electricity:

Eversource electricity bills are broken into two categories delivery and supply. The town purchases electricity through a third part-party competitive supplier agreement. The 2024 supplier agreement is up approximately .034 cents per kWh. Although the supplier rate is increasing, readers will notice a decrease in some electricity budgets due to adjustments in actual consumption.

Technology:

The Town has a complex system of information technology across departments to operate systems machinery, conduct communications, utilize software, and provide fire, safety, and security protection. Like many organizations cybersecurity is an increasing threat to loss of funds, productivity, critical infrastructure, and systems. The Town contracts with a professional information technology company to maintain and support our systems. The contract costs increased due to the increased level of service for cybersecurity, productivity, software costs and an audit of actual users and workstations on the systems. The technology expense has been costed out to user departments including water and sewer. The estimated increase in technology contract services to the general fund is \$11,610.

2024 Warrant Article #13 Wastewater Operating Budget

To see if the Town will vote to raise and appropriate the sum of Seven Hundred Eighty Thousand Seven Hundred and Ninety-Two Dollars (\$780,792) for the operating expenses for the Wastewater Treatment Plant with Six Thousand Five Hundred Twenty-Five Dollars (\$6,525) to offset this appropriation by an anticipated water pollution grant and the remainder to be raised by Sewer assessments. No amount to come from general taxation.

Majority Vote Required
