Committee members to join and would review Rescue fleet/items with Gregory Aucoin, including moving around some items on the schedule with delivery delays over a year out. Chairman Blomback asked if department managers are included with review of the items with the Committee. Vice Chair Hooper said yes, all the department heads were communicated with, and some great information already came back, and a few departments reports still pending. Once the report is submitted, the department heads are scheduled to meet with the CIP Committee to review the report in detail.

COMMUNICATION WITH TIA HOOPER POST-SUBMISSION

On 11/28/2021 12:27 PM Tia Hooper < tiamhooper@gmail.com > wrote:

Good Afternoon Lynn,

I hope you had a wonderful holiday. I am currently reviewing your submission and just wanted to circle back to follow up quickly to see if you can provide the total cost estimate for the project. If possible also the cost of each item 1-4 listed under the description.

Please do not hesitate to contact me if you have any questions.

Thank you

Tia

Tia the numbers haven't changed but the trustee's want to start a conversation with CIP and BOS to get the project at least listed as a part of the CIP.

Stay warm and well

Lynn

2022 TOWN MEETING Calendar

FROM WENDY BAKER

Good morning everyone!!

It is once again Town Report time!! This is to remind everyone that you will be submitting any reports directly to me and this year I would like them to all be in either Word or Excel format. I am not worried about font or formatting as I will convert all to fit into my design of the report. I would love submission of any photos as well that anyone would like to include. Anyone that can send their report early is encouraged to as this has become a very busy time of year for me and the sooner I can get a jump on the report the better. If you will not be submitting a report this year for whatever reason, would you please communicate that to me as well.

The DEADLINE for submission is Friday, January 7th. Please communicate any extenuating circumstances with regard to that date because I will not be able to accept any after that date.

I am looking forward to creating my first Town Report for Henniker (I have done many with other towns) and having it be one to remember!
