**Goals** – *Qualitative statements* of what the Town intends to accomplish over a period of 12-18 months. These are “Big Picture” items vital to organizational success. *List the top three below.*

**Strategic Objectives** – Short and long-term *quantitative results* that directly support the goals. Objectives should be measurable, achievable, related to the key factors for success in the Town, and consistent with the goals. Objectives describe **WHAT** the Town wants to happen. *These will be developed at the facilitated session.*

**Tactics** – A number of related and reinforcing steps for accomplishing the Town’s objectives and goals. Tactics describe specifically **HOW** the goals and objectives will be met. *These remain for the Town Administrator, department heads, and staff to develop.*

List up to three **goals** that are essential to move the Town forward, keeping in mind the definition above.
