BID REQUEST – 07-2024 GENERATOR

April 5, 2024 Deadline Extension: Due to the recent storm and power outages the deadline has been extended until April 9, 2024 @ 2 p.m. when they will be opened publicly and read aloud.

March 7, 2024

To Whom it may concern:

On behalf of the Town of Henniker's Fire & Rescue Department, thank you for your interest in bidding on an anticipated generator installation for the Fire Department this year. Bid envelopes must be sealed and marked "Generator" and be delivered to Town of Henniker, 18 Depot Hill Road, Henniker, NH 03242 by April 5, 2024, at 8:00 AM, when they will be opened publicly and read aloud. Contact person: Chief James Morse, Fire Department (603) 428-7552.

To ensure consistency in our bidding process, I'm requesting all contractors to review and potentially adjust their previously submitted bid to align with following scope of work description:

- Provide one (1) new 40KW, LP, 120/208V, three-phase Generator with one 200A line Breaker, block heater, emergency stop button (EPO Button), battery and battery charger.
- Install (1) 200A automatic transfer switch.
- Replacement and new installation of associated components and infrastructure, including but not limited to:
 - Provide delivery, off-loading, crane and rigging to set placement for the new Generator.
 - Concrete pad, and associated trenching and backfilling if needed.
 - New Generator feeder conductor and breaker, disposal of old materials.
 - Provide one (1) Generator Annunciator Panel with associated conduits and wiring.

Respectfully,

James Morse

Fire Chief, Henniker Fire & Rescue
