

HEC Prioritized Budget Item Recommendations for TA/SB to Include in Town Budget:

Priority 1:

- Community Center: \$7,829.00 per SEEDs recommendations
 - Removed smart thermostat for baseboard heating

Priority 2:

- Town Hall: \$18,320, per SEEDs, primarily for insulation in walls

Priority 3:

- Fire Station and Transfer Station: \$7,900.00 to cover first 3 recommendations by GDS

Future “Suggested” Recommendations:

- Investigate use of High Volume Low Speed (HVLS) fans in Community Center to reduce heat loss at ceiling.
- HEC to make recommendations concerning heat pump in Fire Stations after conference with Fire Station Dept Heads and determination of current heat pump condition.
