ITEM 4**Director's Report**

- 1) General State of the Library – Staff Update, Hours, Summer Planning
- 2) Projects
 - a. Screen Doors
 - b. Windows
 - c. Moose Plate - Grant and letter of intent accepted for Phase 2. Beginning to work on Phase 1 of the grant.
 - d. Library garden/Patio – [Applied for a grant to fund](#). Hope to hear soon. Backup plan, apply to the Cogswell Benevolent Trust
 - e. Garaventa Replacement – Status Report
 - Representatives from Garaventa have completed the shop drawings.
 - When the compliance expert came to see the site he indicated that he is concerned with two major overhead clearance issues, the first at the bottom of the stairwell and the second at the Main Floor landing. The bottom stairwell has an overhead hazard. The Main Floor landing area overhead clearance falls within the “FLAGGED” zone and may not provide enough height for code compliance.
 - A trustee asked about the weight limit variance. “Thought we would realize a weight capacity of 550 with the replacement model.” I asked the Garaventa Representative, “Can you respond to this please?”
 - The factory designer looks at the existing rail structure details and uses that to determine if the capacity can be increased.
 - They list the maximum capacity from their research on the new drawings.
 - I will double check with them - but it appears that the limitation is from the existing rail system, and likely cannot be increased.
 - Both areas need to be considered by the State Inspector and variances will be required.
 - At this point, the project realization is dependent on the decision of the State Inspector and their willingness to grandfather in the new lift since it is a replacement and not a new build.
 - If we get the variance, then we are looking at 4-6 weeks for delivery of the mechanicals. I spoke with a Garaventa representative and expressed my concern that we have a HARD STOP date of June 21, the last day of school. Work may have to wait until mid-August if we can't complete the installation by the 21st. It is expected that the decommissioning, installation and inspection will take 2-3 days.
 - If we don't get the variance the project is unachievable with the current budget and physical components.
 - I have asked to be Bcc'd on all correspondence to keep on top of the issue.
 - f. Limited Mobility Door Project - Status Report. Supply chain issues. Waiting for parts.
 - g. Emergency Exit – Status Report. Supply chain issues. Waiting for parts.
- 3) Community Involvement – Trying to create a communal atmosphere on the Main Floor. Purchased a table-top puzzle board, puzzle, and some small interactive games for patrons to use and promote visits.

ANNOTATIONS ATTACHED AS COMMENTS TO FUNDS IN THE CHARTER TRUST ACCOUNT.

1-The Charter Trust Account was designated as a "Board Restricted Endowment" on 09/08/2021 by a vote of 5-0.

2-The money from the Helen Cammett fund was received as Tucker Free Library was listed as a beneficiary of her insurance policy

3-The Anna Childs has as it's intent statement: "I give and bequeath to the Trustees of the Tucker Free Library of Henniker, New Hampshire, the sum of Five Thousand Dollars (\$5,000.00) to establish an Endowment Fund to be known as the Anna L. Childs Memorial Fund, the income only to be used for the benefit of the Francis Lane Childs Historical Room, but if not needed for this purpose, then for the general purposes of the Library." Will of Francis L. Childs, June 4, 1974.

4-Unconditional "I give my entire Estate, including any property over which I may have a power of appointment, as follows:...One-half (1/2) of my estate to Tucker Free Library, Henniker, New Hampshire." Last Will and Testament of Ann Soderstrom dated June 25, 2008.

5-Library Director received a letter and a check from TDWealth Management:

The letter states that the status of our trust failed to meet new regulations so it has been changed to a private foundation. Since it is now considered a private foundation they owed us money to compensate for the incorrect status (it changed from 4% to 5%) so they sent us \$6210 09/09/2011. They later sent an additional check in the amount of \$901.97 for underpayment.
