You might not be aware; the TS does not accept yard waste and we do not have a compost pile. Can you direct the landscaper to dispose of the yard waste in another manner" REPLY: We don't have a landscaper or anyone who regularly does any weeding out front, perhaps a volunteer has done that?
 - d. Garden is overrun with weeds and plants are becoming unruly. Perhaps we could do a plant sale and remove them and seed it with grass!!!!
 - e. TA asked. "When was the last memo of understanding between the Library and Selectboard reviewed? It might be a good time to revisit." REPLY: We attempted MOU review two years ago but it went nowhere.

RE: 2023 Town Wide Budget Changes

Wages: The State of NH granted a 1.16% Cola, effective 7/1/22 which according to the policy will be part of the 2023 wage calculations. The new merit raise system requires a review be performed with an effective implementation date of 4/1/2023. Once the reviews are received by finance, wage information will be sent to departments.

Benefits: We anticipate receiving the Healthtrust guaranteed adjustment in early October 2022. Once that information is received, it will be sent to departments.

Heating Fuels: Heating oil was bid at \$3.89 for 2022 which increased 2.00 from the 2021 rate of 1.89. Propane was bid \$1.699 for 2022 which increased -0- from the 2021 rate.

Electric: Electricity at .0684 per kwh is set until October 2023. We will be looking to purchase the next contract in the summer of 2023. It is highly unlikely we will be get such a favorable rate for the 2023-2024 year, so I would recommend November & December estimates of power be calculated at 22 cents per kwh as that reflects the current market conditions.

Retirement: Employer portion of NH Retirement for full time employees. Group I wages stayed the same thru 6/30/23 at 14.66% and dropped to 13.53% from 7/1/23 through the balance of the year. Group II Police will be 33.8% through 6/30/23 and dropped to 31.28% from 7/1/23 through the balance of the year. Group II Fire will be 32.99% through 6/30/23 and dropped to 30.35% from 7/1/23 through the balance of the year. The change in 2023 rates reflects an approximate 7.5% reduction.

Fica: Social security remains at 6.2% and medicare at 1.45%

We would like to see budget worksheets returned to the finance department by Wednesday 10/23/22.
